- Dahl focused his photography on the areas between Clinton County and Scott County.
- Dahl captures a variety of wildlife, but focused on birds and moths. There are over 250,000 species of moths worldwide, with around 11,000 being in the United States. Additionally, there is about 150 species between Scott County Park and Clinton.

A NOTE FROM YOUR TREASURER

- For the past year or so, I have been e-mailing the quarterly dues invoice from the Club's software, Quickbooks, and I am finding that a few members are not receiving the invoice because of firewalls and "spam" software on their computer. Some instances the attachments are being deleted or member does not recognize the from e-mail address and does not open the e-mail. The invoices are being mailed from the following address: "Intuit E-Commerce Service" quickbooks@notification.intuit.com
- The invoices are mailed quarterly beginning in January and I am asking that you notify me by email at ddalton@wpf-cpa.com, call my mobile 563-503-1865, or my direct office number 563-244-8146 or talk to me after the meeting if any questions, comments or concerns.
