The Four-Way Test

You see, the truth so many people seem to miss is that happiness doesn't start with a relationship, education, or college degree. It starts with your thoughts, and what you tell yourself everyday.

A NOTE FROM YOUR TREASURER

- For the past year or so, I have been e-mailing the quarterly dues invoice from the Club's software, Quickbooks, and I am finding that a few members are not receiving the invoice because of firewalls and "spam" software on their computer. Some instances the attachments are being deleted or member does not recognize the from e-mail address and does not open the e-mail. The invoices are being mailed from the following address: "Intuit E-Commerce Service" quickbooks@notification.intuit.com
- The invoices are mailed quarterly beginning in January and I am asking that you notify me by email at ddalton@wpf-cpa.com, call my mobile 563-503-1865, or my direct office number 563-244-8146 or talk to me after the meeting if any questions, comments or concerns.

FOUNDATION MINUTE

On October 28 and 29, The Rotary Club of Campbell River, British Columbia, organized a fundraising event where members painted pumpkins and then auctioned them. Dubbed "Pumpkins-for-Polio" the 2-day event netted over \$8000 and was matched 2:1 by the Bill & Melinda Gates Foundation, resulting in a grand total of \$16,500 that will go towards global polio eradication efforts. On November 4, 2019, three neighboring Georgia Rotary clubs: Rotary Club of Marietta, Rotary Club of Smyrna and the Rotary Club Atlanta Brasil, in partnership with WellStar Health, awarded a \$10,000 District Grant through TRF to WellStar Kennestone Hospital, Marietta, Georgia. This grant is in alignment with our Foundation's mission to: Improve Health and Promote Education around the world. This 100th Anniversary Literacy Gift will provide literacy packets and a book to parents of every child born at Kennestone Hospital over the next year. In other words, between 5,550 and 6,000 babies will benefit from this gift, which would hopefully bridge the gap between reading to babies in utero and age 4.

Yours in Rotary,
