# Million-dollar lodge project underway

By Jennifer Graf/Clinton Club Publicity Co-Chair

The Rotary Club of Clinton is busy with our million-dollar Eagle Point Park Lodge project!

Taking on the total refurbishment of this historic, beloved landmark was the goal of our 100-year celebration. Russell Construction has kept things moving along even through the unforeseen "opportunities" (as Rotarian Dee Willoughby describes it) of septic systems, roofing, beams and fireplace securing needs happen. We are taking care of everything as it arises!

This is a fantastic project that has interest coming from all over the country. Our "Buy a Brick" project closed out March 1. This was an opportunity to have your engraved name on a brick located in the freshly landscaped entrance.

Clinton Rotary's Masquerade fundraiser will be April 29.

We would also like to remind folks in District 6000 of our upcoming 8th annual charity auction to be held on April 29th. Our theme is MASQUERADE. It is "The" charity event of the year. Join us for a night of fun and fellowship while donning an appropriate mask and supporting the many great works our club undertakes.

Representatives from the Rotary Club of Clinton, the city of Clinton and Russell Construction broke ground on the \$1 million Eagle Point Lodge renovation project on Dec. 14. The historic lodge, built during the Great Depression, overlooks the Upper Mississippi River at its widest point.

Renovations are underway to give the lodge at Eagle Point Park in Clinton new life for the next 100 years!

Dee Willoughby, Clinton Rotarian, discusses the Eagle Point Park Lodge renovations project.
