

Dear Community Partners:

The Rotary Club of Davenport is searching for a grantee of our annual fundraising event. This event will take place in 2022, with funding available by **July 2022**. We estimate that we will raise approximately \$15,000.

Davenport Rotarians are interested in projects that serve the children or contribute to the economic development of our **community**. We hope for this contribution to make a significant change to your organization and are currently not interested in funding general operations. Though not required, Davenport Rotarians are interested in having a hands-on aspect to your project.

Please note: This year, you will be **required to be sponsored** by a current member of the Rotary Club of Davenport. Please make sure to include your Rotarian's name in your application. You may also be asked to provide additional information and presentations regarding your organization if you are selected.

Grants will be due on **October 31**, with final decisions made by **December 15**.

For any questions, please contact **???**

Thank you for your service to our community.
