## Details

The World Bicycle Relief is awesome and hits home. Sometimes we forget our blessings and the awesome bikes we have. Here is your chance to give, impact, and share through the power of bicycles.

All cyclists and/or any individuals that want to support a great cause are welcome (You don't have to ride). The plan is to head out from rustic Ridge golf course at 10 AM (bloody Mary's and pregame fun starts at 9am) and take gravel or road to green tree brewery (they are opening early for us). Gravel and road maps are posted on Facebook. The plan is to be back by 3pm to Lynns BBQ for the fun. We will have live music, \$5 pull pork baskets and a guest brewery Kalona Brewery will be taking over the taps at 3pm. In honor of this event, we are trying to raise \$1470.00 for 10 bikes (147.00 a piece shipped) for the World Bicycle Relief Organization.

The event page is on FB:
