

How to Sponsor a Prospective Member:

- Invite them to lunch and share with them a prospective member packet (available online: <http://j.mp/joinrcdm>)
Notify the Rotary Office in advance that you are bringing a prospective member.
- Complete the “Membership Proposal Form” and return it to the Rotary Office.
- Let the proposed member know they are welcome to join us for lunch while their application is in process.
- The application will be presented to the Board of Directors for approval. As the Board meets once a month, please expect some down time during this part of the process.
- Watch for your proposed member to be published in the e-bulletin under NEWS -- NEW MEMBERS PROPOSED.
- After the ten day waiting period, attend the New Member Orientation Meeting, typically held at 11:00 am, quarterly prior to a Rotary lunch.
- Schedule an introduction at a Thursday Luncheon.
