

Youth Leadership Program Sponsorship

Iowa City Noon Rotary

You or your business can positively impact a high school student's life by sponsoring them for one of the following Rotary-affiliated one week summer programs:

RYLA – Rotary Youth Leadership Award - is a life-changing leadership training program for high school students to learn, develop, and enhance leadership skills and principles in an atmosphere of trust and respect.

WAS - the World Affairs Seminar - is designed to build global leaders and citizens through an international conference with an innovative, academic program. Its' focus on current global topics and trends includes recreational activities to foster interaction and understanding among participants.

The Sponsorship Process and Benefits

Your sponsorship will help provide a life-changing experience to the future leaders in our community at the cost of \$500 per student. The Iowa City Noon Rotary joins other area Rotary clubs to send local high school students to these programs every year. Teachers and staff at area high schools nominate the prospective students who are then interviewed by teams of Rotarians. To ensure that all students are able to participate, their program fees (approximately \$500 per student) are covered by the area Rotary Clubs through sponsorships. **We invite YOU to donate!**

***Sponsors will gain visibility and recognition within our community through the club's slide show which is shared virtually every week with 300+ members, as well as social media, and other public relations efforts.

Please contact Kelley Krueger, 319.331.1121, kdrowne278@gmail.com if you have questions. The sponsorship **deadline is September 30.**

If seeking a potential charitable contribution for your sponsorship, checks should be made payable to: **Rotary District 6000 HEF(Humanitarian Education Fund)**. If not seeking a charitable deduction, checks can be made payable to: **Iowa City Noon Rotary.**

All checks should be sent to:
