

August 30, 2018: Caroline Christofferson (Rotary Youth Exchange Outbound Student)

Caroline was one of 27 students sent to countries around the world from our District 6000. Her experience abroad was in Toulouse, France.

Toulouse is in the south of France. Her host Rotary Club there is a relatively newly chartered club with about 30 members. They sponsored 3 exchanged. Some of this club's projects included a blood drive, a food drive, and a marathon (in which Caroline participated).

While in France, Caroline toured several cities in the broader map of France and saw some historical chateaus and picturesque traditional cityscapes.

With her host families, she also traveled to Germany, Czech Republic and Austria, and got to see a deer hunt up close.

Caroline was enthusiastic about relating her endeavor, and thanked Rotary for generously sponsoring her on a life-changing experience.
