# GAMES AND RAFFLES

## \$250 CASH RAFFLES

Tickets are \$5 and can be purchased from [Chris Durlam](#) and other Rotarians. There will be ten drawings for \$250 throughout the night. Winners will be handed an envelope with \$250 cash inside right on the spot. Good luck!

## 9TH ANNUAL HOG RAFFLE

We have had so much fun and success with this raffle since we introduced it that we just knew we had to bring it back again tonight! It's simple; we have a few decks of standard playing cards. You may purchase individual cards for \$5 or three cards for \$10. When you purchase a card, we will tear your card in half. You keep one half and the other goes into the bin for the drawing. Cards will be available all the way up until the drawing during the auction. Two winning cards will be drawn and each winner will receive half of a hog to have butchered and processed just the way they want it. We will have your hog delivered to the Lohrville locker where you can decide the cuts that you would like to have them make from your half. The processing is on us, too!

## PLINKO

Auction Host, [Jeff Lamoureux](#), is manning the Plinko Board. A \$20 donation will give you the chance to reach in and receive a giftcard package. Each package is guaranteed to be worth a minimum of \$20. You can't lose!

*Special thanks to: Addie's, Bet & Bev's BBQ, Oly's Corner, Casey's General Store, Greene County Cattleman, Bee & Herald, Bredeaux Pizza, Bee Mindful, Peony Chinese Restaurant, Skeeter Creek, 209 Main and Drees Convenience Store*

## HEADS or TAILS

Back by popular demand, Head or Tails. This year everyone is in the game for \$100 cash. After the first game the warm up is over and for only \$20 you have a shot at \$500. Do you have your beads? If not, go get some right away. You can buy as many as you as you would like.

**HOW TO PLAY:** The game is simple. Put your hands on your head to vote for Heads or on your posterior (rear-end/fanny/derrière) to vote for Tails and then watch the big screen as the quarter flips. If you are right you get to stay standing. If you are wrong discard one of your beads. When you are out of beads you are out of the running.

**WINNER:** The last person standing in the first game that we all get to play wins \$100. While the winner of the second game gets \$500 cash handed to them.
