FRIDAY—AT THE STEEPLEGATE

## Jim Thyne & Roger Fuerstenberg Hot Air Ballooning

### Hot Air Ballooning

Jim Thyne, Co-Owner and General Manager of Refrigeration, Heating and Air Conditioning of Clinton, will present an overview of ballooning, including showing much of the actual equipment used. Jim has been piloting his own balloon since 2002. He provides balloon rides for the general public, commercial outings and corporate flying. Jim also owns Accurate Timing. Roger Fuerstenberg, retired educator, a friend and occasional chase crew member will assist with slides of the exciting experience

#### RI President DK Lee writes March 2009

Dear fellow Rotarians:

We have long supported literacy and education for all. Our projects have strengthened schools, built community libraries, and given the precious gift of reading and writing to those in need. As we celebrate Literacy Month this March, we are confronted by the monumental challenge of helping nearly a billion people experience the essential pleasure and power of reading and writing. Without these fundamental skills, too many of our friends and neighbors will remain trapped by poverty, hunger, and disease.

Despite this challenge, we are heartened by the company of trusted friends and new allies in our struggle to stop illiteracy. Over the last year, we have renewed our relationship with the International Reading Association, allowing Rotary clubs to benefit from the experience of local and international literacy professionals. In addition, The Dollywood Foundation, our newest literacy ally, is working with Rotary clubs across North America and the United Kingdom to support early childhood literacy through its Imagination Library program.

While these relationships heighten the effectiveness and impact of our projects, little would be possible without your active support for literacy. Your contributions are significant, and I urge you to renew your commitment to this vital effort.

Our success depends on careful planning. As business, professional, and community leaders, we must pause to consider what more our clubs and districts can do to support literacy in the months and years ahead. We must invest in strong champions for literacy in our communities, including our own club and district literacy chairs, to strengthen and lead our literacy efforts.

Together we can stop illiteracy and help *Make Dreams Real* for our friends and neighbors in need.

Sincerely,  
D. K. Lee

## SPECIAL OLYMPICS – Track & Field

Every spring, the East Area Spring Games for the special education students are held at North Scott Schools. These Special Olympic Games are attended by many students from the eastern section of Iowa. Therefore, many volunteers are needed to help organize and keep track of the participants.

Kelly Meyer is the chair person from North Scott Rotary and she needs volunteers. Yellow sign up sheets are available at the Friday meetings. Please consider volunteering your time. Opening ceremonies are held at 9 A.M in the school and the games begin shortly thereafter. Family members are also welcome to help!

## WHAT GENERATION ARE YOU?

Becky Bray was responsible for some interesting "Generations" information. There are four groups. The groups are the Builders, born before 1946, the Boomers, born 1947-1964, the Busters, born 1965-1980, and the Millennials, born 1981-2000.

The Boomers never lack anything to say and have a hard time listening to others. They consider their careers very, very important. The Busters have a survivor mentality. They had to take care of themselves, as 1 of 2 marriages ended in divorce and the mothers went back to work. Work is a means for money and the busters are not loyal and tend to change jobs every 1.5 to 2.5 years. The Millennials are much more conservative and have taken many of the characteristics of the Builder generation. They have the busiest kids ever and the largest disposable income.

Bill Tubbs presented three first time Paul Harris Fellow certificates and medallions to Richard Horst, Jeff Miller and Hank Runge. Also receiving "years of membership" tabs this year were: Steve Fahrenkrog, Becky Bray and Gary Lynch for 10 years. Steve Powell has been a member for 15 years, Elza Sager for 20 years, George White, John Pheiffer and Bill Tubbs for 35 years and

Keith Mattke for 40 years. Congratulations to all!

Sheila Volrath told about why Rotary is important to her. Sheila enjoys being involved in committee work where she sees results. She has had many tremendous opportunities to do that, by helping on the auction committee, school shop, finance and scholarship committees. Sheila resides in DeWitt, IA with her husband Jay and her children, Drew and Carly.

Walt Bredbeck has been working hard planning the activities for the arrival of the GSE Team from Taiwan. He needs one more host family and some drivers for the April 17-20 club sponsorship dates. Dick Cole is proud of his North Scott welding students who took first, second and third place (all 3), in a contest he took them to.

Eric Langan was the sergeant and collected dollars from numerous members. Fred Mulch paid \$4 because Illinois lost by 4 points. The Irish had to pay, as well as anyone who was not signed up to help at the Special Olympics on April 4. The exact amount collected will be reported next week.

Many thanks to Carolyn Scheibe for taking notes at the meeting and to the many presenters of awards.
