visiting hours are 7 A.M. to 7 P.M. He will be  
receiving physical therapy and wound care

Sympathies to Marian Petersen, on the death of

## **THANK YOU'S RECEIVED**

Dear North Scott Rotary,  
Your flowers at my mother's funeral were  
beautiful. Your thoughtfulness was very  
appreciated by our entire family. Her memories  
will live with all of us for the years to come.  
Scott and Nancy Case and family  
Angela and Mike Reese

Dear Rotary Members,  
The Davenport Community Schools' Project  
Lead the Way (PLTW) Advisory Council would  
like to thank you for the \$1000 contribution you  
made to help defray training costs for its PLTW  
teachers. Engineering, Design & Development  
and Digital Electronics will be added to our  
PLTW course offerings next school year. To  
ensure that the curriculum is delivered with  
integrity, teachers will attend 10 days of training  
for each of these courses this summer. Your  
contribution will be applied toward the  
registration expenses for one of these  
instructors. This training is very expensive, so  
your support of our program is much  
appreciated.

Thank you,  
Betty Griffin, Coordinator, Davenport  
Community Schools

### **The 4 Way Test**

**Of the things we THINK SAY or DO**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and  
BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## Shawn Hamerlinck: State Senator

Shawn Hamerlinck, Republican State Senator from Scott County told what it is like to be a super minority freshman Senator in the Iowa Legislature. Since the average age in the Senate is 63.5 years and Shawn is only 28 years old, many think that he is a "servant". On one of his first days there, a seasoned member asked him for coffee. He had to explain that he was a Senator also, and not an errand boy.

Becky Bray arranged for Shawn to speak, as he has worked for the Scott County Extension office as a Youth Field Specialist. He develops youth programs and oversees the 4-H program. He has also served two terms on the Davenport City Council. He resides in Davenport with his wife and two sons.

Eighty members and guests were present on April 3, 2009. Gary Lynch presided over the meeting and Don Brandt did the set up. Paul Seelau was the greeter, Jeff Ashcraft the song leader and Steve Powell gave the invocation. John Maxwell was the sergeant and collected \$60 in fines. He fined Steve Powell and Brad Burt for appearing in the NSP. He also fined Bill Tubbs for making Shawn eat a cold lunch and Tom Messer for having two of his sons elected as officers of the North Scott FFA. Dennis Peterson gave \$39 to the education fund for his 39<sup>th</sup> wedding anniversary and \$25 was collected from the birthday cake celebration.

Bert Vigen said the scholarship forms are all in from North Scott High School and he is waiting on Davenport North and

Assumption so a committee meeting can be held and the winners determined. Kim Wilkins is waiting for a nice day to reschedule the flower bed clean out for Eldridge. Dick Cole made an announcement for Walt Bredbeck about the GSE team who is arriving on Friday, April 17 to be sponsored by our club. The five people from Taiwan will be at the Rotary meeting on that day and then will be entertained throughout the weekend by Walt and his committee. As of Friday, Walt still needed home hosts and help in general! Please consider helping! Walt's contact numbers are listed in the calendar section.

Guests present were: Mary Schmidt, guest of Jeremy Kaiser, Amanda Wheeler, guest of Deanna Jensen, Jean Schinckel, guest of Jack Schinckel, Jerry Trimble, guest of Jan Trimble and Julie Fulton, Assumption counselor. Students present were: Jared McIntosh and Brady Greufe, both from Davenport Assumption High School. Jason is active in cross country track, basketball, track and baseball. He is also a member of National Honor Society, SADD, FCA and a Right to Life volunteer. He plans to attend a four year college to major in English and play baseball. Brady is also in the National Honor Society, Student Ambassadors, Science Club, and Spanish Club and does a lot of volunteer work. She plans to attend the University of Iowa and major in Kinesiology and minor in Spanish.
