FRIDAY—AT THE STEEPLEGATE

Gilda's Club Claudia Robinson, CEO

Claudia Robinson, CEO

In 1997, I responded to an ad in the newspaper about a thing called Gilda's Club. It told the story of a place that would reach out to families affected by a cancer diagnosis. It would be free of charge, non residential, and available for men, women, and children. Responding to the ad was the best decision I ever made. Both my parents and my maternal grandparents have had cancer. I have traveled this road and

understand the needs of those with cancer and their families. The vision of this unique place, filled with hugs and laughter and support became a reality in November of 1998 when we finally opened the doors to all area residents learning to live with cancer. Our membership consists of people from 18 counties in Iowa and Illinois. Each unique in the qualities and strengths they bring. From infants to retirees, people from all walks of life, bound together by a unique journey only they understand. We are each blessed to be a part of the Gilda's Club family, sharing good times and bad, lazy days and the rush of family life, while learning to live well in spite of a cancer diagnosis. You can e-mail Claudia at claudia@gildasclubqc.org.

The 4 Way Test Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

NEXT EXCHANGE STUDENT SELECTED

In August, 2009 the North Scott Rotary Club will welcome Jaime Andres Ruiz Alfonso from Barcelona, Spain. He is seventeen years old and has studied English for seven years. He attends a French school and is fluent in French and Spanish. He likes to swim and play soccer. He is an only child and his parents are both dentists. He will spend the first semester at North Scott High School with Rotarian Tom Bylund and his family of Eldridge. If you or families you know are interested in hosting Jaime (pronounced Hi-may) for the second semester, please contact Dennis Peterson (285-8784) or Paul Kalainoff (285-7725) for details.

THANK YOU RECEIVED

Dear North Scott Rotary,

I would like to thank you again for choosing me as the recipient of the Dorothy White Performing Arts Scholarship. I am much honored to have received this award and am grateful for organizations such as the North Scott Rotary that are concerned about the futures of the community's youth. It's a comfort to know that your

organization is willing to recognize those who find passion in the performing arts, an area that is often overlooked in favor of other high school activities. I am also honored to have made Dorothy White's acquaintance at the luncheon. My time as a Junior Rotarian at the Davenport Rotary and recognition at the North Scott Rotary luncheon has broadened my appreciation and understanding of the incredible things that the Rotary Club does for my community. Thanks to this scholarship, my college education has become more possible, and I am extremely grateful.

Sincerely,
Kathleen M. Hoil

Dear Randy:

On behalf of MEDIC EMS, we wish to extend our sincere thanks to the North Scott Rotary for the generous donation of \$1,000.00 for our free-standing child passenger safety fit check station located in Eldridge, Iowa. This donation will be used for the purchase of children's car seats for distribution to those families unable to afford a seat.

As noted in our North Scott Rotary presentation in January of 2009, the MEDIC EMS Child Passenger Safety Seat Fit Station began in 1999, and has proven to be a great safety net through the meticulous review of car seats for recalls and misuse. Scott County statistics that measure childhood death and disability appear to be on the decline, and we feel that our efforts in car seat safety have made a positive impact in making children safer in Scott County.

Once again, thank you so much for your generous donation to our program, and we applaud your decision to partner with MEDIC EMS to make children safer in Scott County, Iowa.

Sincerely,

SEVE GHOSE: DIRECTOR Davenport Parks and Recreation

Seve came back to Iowa eight months ago after being gone for over 20 years. He is a graduate of Iowa State University and still claims to be a Cyclone. He is the Director of Davenport Parks and Recreation Department. Seve oversees 49 parks, 4 community centers and 3 premium golf courses, all owned by the City of Davenport. Seve is proud of the Davenport parks and golf courses, they are all wonderful and in good shape. The locations all total 3300 acres.

Seve gave a run down on other projects in the community including the opening of the community pools and the Junior Theater. In conjunction with the Red-White-Boom this July, there will be a Cinema in the Park. Other projects in the works are a doggy park, a mobile park program and a new park in north Davenport.

Sixty four people attended on Friday including guests Michelle Mandell, guest of Rev. Roger Butts and Alex Pasheev, guest of Serge Pasheev. James Patten gave a brief summary of the ZooFari which was held on Wednesday, May 27. He will have a slide presentation for members to view this next Friday. He said it was wonderful to see Rotarians representing 2 states, 2

districts and 3 clubs working together on this project to give underprivileged children of the QC an opportunity to attend Niabi Zoo.

Mike Stemlar gave \$10 to the education fund, as his daughter Elizabeth, a junior at Bettendorf, took a first place award at the State track meet in Des Moines. Paul Seelau gave \$50 to the education fund in honor of his son and daughter-in-law, as they completed advanced college degrees in Arizona and will be taking jobs in Chile. Deanna Jensen paid \$20 to the Rotary Foundation to advertise her Drive in Movie night at the Clarion Hotel on Friday. Linda Frederiksen thanked the club for the \$1000 donation in support of the Medic car seat program.

Eric Langan was the sergeant and collected \$20 in fines. He attempted to fine the "goody" people who keep quiet and don't cause trouble. He wanted to fine Lee I., but couldn't think of anything. He fined Jeff A. for his brief acting career and Charlie J. for the water increase. Also Rev. Roger for acting so cool when he has a guest!

Don't forget to sign up to attend the offsite meeting at the new Handicapped Development Center on June 26. We will be having lunch catered in to the HDC and all members will receive a tour of the new facilities. You don't want to miss this! This is the regular weekly meeting.
