### FRIDAY—AT THE STEEPLEGATE

# Frank Donchez, Jr. Davenport Chief of Police

**Frank Donchez Jr.**

Frank is 48 year old.

Family: Married 27 years to Beverly; sons Nathan, 24, in Nashville and Jacob, 17.

Police experience: 25 1/2 years with Bethlehem (Pa.) Police Department, started as a patrol officer and retired in 2006 as commissioner. Consultant to Easton (Pa.) Police Department after his retirement.

Other experience: Licensed attorney in Pennsylvania, where he earned his law degree from Temple University in 2001.

Donchez comes to Davenport after serving as a consultant to the Easton (Pa.) Police Department following his 2006 retirement from the Bethlehem (Pa.) Police Department. He served 25 years in Bethlehem, including his final 5 1/2 years as commissioner, or chief, of the department. His wife, Beverly, and teenage son, Jacob, stayed in Bethlehem until Jacob graduated.

After retirement, Donchez thought consulting would be enough to replace policing. He was wrong.

"I wanted to be back in policing so much, I was ready to make a move," the Bethlehem native said.

### Note From Inna Chtcherbina– Russian Medical Friendship Exchange

My life is not boring - big project + crises + Russian special conditions = spicy soup believe me!  
We are doing architecture plan now - looks very good! For me it is like a dream. 4300 sq m, 3 operating rooms, 24 beds, MRI,X-Ray department plus dentist office, rehabilitation and other service. Construction is starting now. The most interesting thing that we do not have any financing from bank - just investing the money from our everyday activity in clinic - but project is expensive - about 8 mln dollars!

We all realize that we will have to ask for money some day, but bank conditions now are so tough. Frankly speaking I do not know what we will have Tomorrow! Say Hello to Rotary people - I wish them all the best. Inna

## Fellow Rotarians,

**When I traveled to Central Asia many years ago, I was told:**

***If you want to know how rich a man is, don't just look at how much money he has, but look at how many friends he has.***

**By this definition, we Rotarians must be the richest people in the world with 1.2 million friends in 32,000 Rotary Clubs around the world.**

**What makes these friendships extra valuable is that we Rotarians have agreed to live by the 4-Way Test:**

- ***Is it the truth?***
- ***Is it fair to all concerned?***
- ***Will it build good will and better friendships?***
- ***Will it be beneficial to all concerned?"***

**Who would not want to have friends like this?**

**Remember the old saying:**

***Show me who your friends are and I will tell you who you are.***

**We Rotarians have many friends, who influence us to develop and improve ourselves. It is a great privilege to be a Rotarian! Yours in Rotary Service,  
Matts Ingemanson Leadership-by-Rotary**

## TERRY SWAILS & CAROLYN WETTSTONE

Carolyn started off the program by telling about a tornado that she and Terry were (trying) to chase in Kansas. The person that they were following however ditched them because they were not driving fast enough. They stopped in Hayes, Kansas at a McDonald's for some food and instead were offered shelter. The tornado was all around that area and the electricity was already off. Carolyn herself is not a weather enthusiast.

She also gave some vivid examples of the tornado in Parkersburg last year. People that were taking shelter in their basements, had everything destroyed around them, but were able to hold on and survive the storm.

Terry has been without a job since March 2008. He had worked in TV weather for 32 years and that is where his passion is. He looked into other job markets, but decided to publish a second book about the extreme Iowa weather in May and June 2008. This covered the Parkersburg tornado and the flooding around the state of Iowa. A TV station in Waterloo backed him with the purchase of the first 5000 copies. When the book was done, he worked on a weather website. When Channel 8 contacted him, the third time, he agreed to go to work for them. He will be back on the air, sometime in July.

Terry and Carolyn and their five year old daughter, Eden, were

on the way to Waterloo for a book signing. It was the one year anniversary of the crest of the flood. They also were selling and signing books at the Rotary meeting.

Eighty seven people attended on Friday, including PDG Bill Cameron from Keokuk. Other guests were Jeff Schweibert, guest of Bill Tubbs, Joy Sayles, guest of Teresa Paper, Nancy Case, guest of Scott Case, Marilyn Puck, guest of Bill Puck, Teri Sager, guest of Elza Sager and Lisa, guest of John Maxwell. Olivia and Federico were present and told about the 28 day trip that they left on, Saturday, June 13. Otto Stender gave \$20 to the education fund in honor of his granddaughter's graduation from college. Keith Mattke gave \$25 in celebration of his wedding anniversary. Gary and Lorraine Lynch also celebrated 39 years of marriage on June 6.

Dave Schnorrenberg and Margo McInnis were awarded permanent blue badges. Bill Tubbs invited everyone to a free concert at Lincoln Park in Rock Island on June 18 at 7 P.M. This will feature local barbershop harmony. Gary Lynch and Bill Tubbs will have tickets available for the Motivational Seminar, held at the iwireless center next week. Jim Koehler announced the annual auction details and asked members to reserve the date and start collecting items to sell. Anita Wubbena was the sergeant and collected \$89 in fines.
