FRIDAY—AT THE STEEPLEGATE

German Heritage Center

With Angela Osborn

Angela Osborn

Angela Osborn is a resident of Bettendorf, Iowa and has lived in the Quad Cities area with her two children since 2000. She has worked at Niabi Zoo, Girl Scouts, Butterworth Center & Deere-Wiman House in the areas of program management, volunteer coordination, fundraising, marketing and public relations. Ms. Osborn also has worked as a nonprofit consultant. Ms. Osborn has worked on projects as a volunteer for area organizations including the Bistate Literacy Council, The Garden

Growers, Western Illinois Area Agency on Aging, Directors of Volunteers in Agencies, and the United Way.

The German American Heritage Center

Founded on August 1, 1994 as a private, not-for-profit organization, the German American Heritage Center seeks to preserve the heritage of our German speaking ancestors for present and future generations and to enrich our knowledge of the German immigrant experience.

German American Heritage Center's plans for the future:

The Mission is to “preserve and enrich for present and future generations knowledge of the German immigrant experience and its impact on the American Culture.” GAHC’s focus is cultural programs and immigrant contributions. GAHC seeks to reach out to other cultural groups and demonstrate the contributions immigrants from many countries and from varied backgrounds have made to the ethnic palette which is the United States.

THANK YOU'S Received

North Scott Rotary,

Thank you very much for your thoughtfulness during this sad time of my Mom's passing. The gift to Trinity Lutheran Church in Davenport was nice and your support to Tracey and I really was appreciated. Thanks again.

Rotary Club of North Scott:

Thank you for your donation to Assumption High School's Post Prom Event. The many gifts contributed will be put towards part of the entertainment, making the evening an enjoyable experience for all who are involved. Please know that without your generosity this event could not be possible. Thanks again.

Assumption High School Student Council

North Scott Rotary,

On behalf of the 2010 Central/North After Prom Committee, thank you for your generous donation of \$100. The After Prom evening of activities is a long-standing and successful community effort that demonstrates how the Quad Cities is dedicated to guiding our youth. This event offers all senior and junior students of both Davenport Central and North High Schools the opportunity to enjoy a drug and alcohol free evening in a safe environment.

Thank you for supporting our event and our students. Your donation will be recognized not only during the After Prom event, but also in each school's newspaper. 2010 Central/North After Prom Committee

Rebaz Shamsideen, the 5-year-old boy who came to Iowa City from Iraq in 2005 for a heart surgery that saved his life, is a

hale and hearty 10-year-old today, reports Cindy Yerington, who opened her West Liberty home to Rebaz and his father, Subhi, before, during and after the surgery. Rebaz looks very grown up and very 'healthy. District 6000 Rotarians raised \$22,000 and coordinated arrangements through war-time diplomatic channels for the Shamsideens to come to the U.S., where doctors at University Hospitals and Clinics in Iowa City donated their services to perform the life-saving surgery.

Reports predict demise of polio

Feb. 23, 2010 marked Rotary's 105th birthday. This gives us reason to look back to the accomplishments that Rotary has enjoyed and forward to the challenges that lie ahead of us. When we think of accomplishments, the first thing that comes to mind is the ongoing effort to eradicate polio from the face of the world. In November 2008, Rachel and I were able to visit Nigeria with DGN Gary Welch, Dr. Julia Jenkins from The Rotary Club of Osceola, and a group of Rotarians from several other Midwest districts. While in Kano, Nigeria, Rachel, Julia and I were able to attend a polio update and planning committee meeting with our host, Miriam Birma, coordinator of polio eradication in Kano. The meeting was attended by several polio survivors who were suffering from the ravages of this disease. It was obvious to those of us who were privileged to join the Nigerians in this planning meeting that the emphasis toward eradicating polio had become one that the Nigerians were taking responsibility for, and not something that Rotary International was telling them they needed to do. The local Nigerians were taking ownership for the eradication of this horrible disease. In the last week I received a mailing from Miriam stating the following:

"I'm thrilled to inform you all that yesterday, March 4, I attended the celebration of eight months without the Wild Polio Virus 3 and 13 months without a single case of Wild Polio Virus 1 in Kano, Nigeria. It's such a pleasure to see that we will soon have that big party to celebrate the permanent demise of POLIO in Nigeria. It's been a long, uphill task with lots of obstacles, but we're getting there. We were so sure we would be the last in this race. Obviously we were wrong." Miriam went on to say, "Thank you for being with us. We still have more steps to go, but we will get there SOON." The recent data on polio cases around the world show Nigeria to have only one new polio case thus far in 2010, compared to 42 new cases at this time in 2009.

LAST WEEK – JOHN & LISA CHINA TRIP HIGHLIGHTS

Seventy members and guests were present at Rotary Friday, March 19, to hear John Maxwell and his friend Lisa Brinnen, tell about the Chamber sponsored trip to China they took in November 2009. John & Lisa like to travel and could not pass up the deal that the Iowa & Illinois Chambers co-sponsored last fall, for this trip. Margo McInnis and her husband were on the same trip. Agriculture is always John's main interest when he visits other countries. Northeast China is big in agriculture. They toured many factories. They included: ceramic, jade, oriental rugs, silk and even a combine factory.

Many of the signs in China also had English words on them. They welcome and thrive on tourism. The whole area is very willing to have visitors. They act as tour guides and body guards. John & Lisa got their fill of Chinese food. Enough tofu and raw fish were served that they are not in a hurry to eat American Chinese food anytime soon. On the last day, they walked to Pizza Hut and had a meat lover's pizza.

China imports soybeans. They grow corn and dry it on the streets and sidewalks. Therefore the birds, etc. can just help themselves. John says that the reason so many things are made in China, is because the people are not afraid to work. They are full of energy. John & Lisa tested their energy by walking to the top of The Great Wall. The steps were very worn and uneven and John said it was a long way to the top!

Guests that were present on Friday were: Assistant Governor and Davenport Rotarian, Becky Eiding. Also Jean Schinckel, guest of Jack Schinckel was present. Jean & Jack were reading the Apple Dumpling Adventure right after Rotary to children at the Buffalo Elementary School. NOTE: we still have books for sale for \$10 each.

Committee updates were given by Paul Kalainoff on the GSE team, John Maxwell on the final week of Rotary Reads, and Kelly Meyer on the Spring Track & Field Special Olympics coming up on Saturday, April 10th. Dr. Anita Wubbena was the sergeant and raised \$39 in fines.

Bill Tubbs promoted the Chord busters Concert on April 17, which will honor Dorothy as Sweetheart of the year. He also had the latest copy of the D6000 News, in which the North Scott club is mentioned in several places.

The 4 Way Test **Of the things we THINK SAY or DO**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
