FRIDAY—AT THE STEEPLEGATE

## Clair Peterson; Tournament Director John Deere Classic

Clair Peterson was named Tournament Director for The John Deere Classic just prior to the 2002 PGA TOUR Event. Clair came to the Tournament from Deere & Company where, during his 27-year tenure, he was one of the original group that helped launch John Deere's Golf & Turf division in 1986, serving as Manager of Advertising and Promotion for 11 years.

In 1997, when Deere & Company struck a nine-year sponsorship agreement with the PGA TOUR, Clair was named to the new position of Manager of Golf Event Marketing for Deere. In this role, he was a member of the John Deere Classic Executive Committee, company liaison during the construction of TPC at Deere Run, and acted as the point person for business matters with the PGA TOUR for the last five years. He also named the holes, and wrote the historic stories that are included on each of the 18 tees at the TPC at Deere Run.

A 42-year resident of the Quad Cities, Peterson has a long history with the Tournament. When the Tournament first came to Crow Valley Country Club in 1971, Clair worked at the club as a caddie. Clair received his journalism degree from Iowa State University and is an alumnus of Bettendorf High School, where he played on the golf team. Clair is a current board member of the First Tee of the Quad Cities, Illinois Quad City Chamber of Commerce, and is vice chairman of the PGA TOUR's Tournament Advisory Council (TAC).

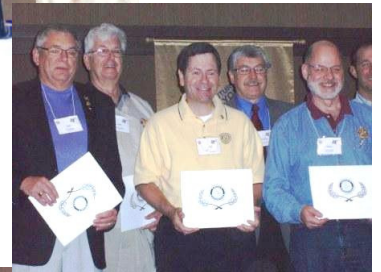

Clair and his wife, Mary, are residents of Bettendorf, Iowa. They have three sons.

**THANK YOU'S RECEIVED**

Dear Rotary Club of North Scott,

On behalf of Davenport Central Vocal Booster, Inc., I would like to thank you for your recent contribution.

Your contribution plays a vital role in insuring that CHS vocal students will have the music, sound equipment, and risers needed for this year's competitions

and concerts. CHS vocal music has a long standing tradition of proudly representing our community, than you for your help in keeping the tradition going.

Sincerely, Selena Maher-DeGeeter

-----  
North Scott Rotary Club,

Thank you very much for funding the Davenport weekend for the youth exchange students. Without your support, this weekend retreat would not be possible. We know the kids greatly enjoy it, as well as us Rotexers! (returning exchange students). We are glad that we share the same enthusiasm for Rotary Youth Exchange.

Thanks again! Shari Bender & Amber Hoffman,  
Outbound & Inbound Exchange Students

### **SPECIAL PAUL HARRIS RECOGNITION DAY ON MAY 7, 2010 (next Friday)**

Jan Trimble, Chair of the New Ideas Committee and Teresa Paper, Chair of the Foundation Committee, with help and ideas from Kellie Esters, are planning a special recognition of everyone in the club whom has a Paul Harris designation. The meeting will have a special speaker from the Chicago International office. Everyone is asked to wear their Paul Harris pins and medallions in celebration of this event. Spouses and others are invited, especially if they have a Paul Harris designation, also. Several people will receive Paul Harris gifts that day, so please be sure to sign up on the Blue sheets at the meeting on April 30. We will be meeting in the pool area of the Steeplegate that day and need to know how many to plan for.

### **ANNUAL YOUTH DAY MAY 14, 2010**

Nancy Glawe and her committee are busy planning the special Youth Recognition Day for Friday, May 14. Our three High School Scholarship winners will be present. Also the six students that attended RYLA in Des Moines on April 22. Parents will also be invited. Mary Agnoli and Jaime Alfonso Ruiz, Exchange students will be present. Please feel free to bring children, grandchildren, neighbors, or anyone you know who is graduating from high school or college. Brandon Messer, son of Tom Messer is our first sign up!

### **DISTRICT CONFERENCE AWARDS**

As everyone knows, the District Conference for D6000 was held April 23-25 at the PZAZZ Convention Center in Burlington, Iowa. President Chuck Briegel was awarded with a Presidential Citation, only 7 were awarded (from 63 clubs in D6000). Dr. Anita Wubbena was recognized on Saturday evening as the first female president of the North Scott Rotary Club. Bill Tubbs received a Governors Award for the work he does in Public Relations on the District level. The club was awarded the "Golden Club Award", along with the Rotary Club of West Liberty. And last but not least, the club received the attendance award

for the third year in a row, a new record. This is based on attendees and distance traveled to the previous year's conference.

Chuck Briegel makes a presentation to the District Convention about our Literacy Project of presenting The Elmer and Andy books to schools in our area. He also accepted another award in the name of North Scott Rotary.

Our Youth Exchange Student Jaime Ruiz packaging food at District Conference

The Youth Exchange Students of District 6000 packaged food for the Kids Against Hunger program. They measured and put into plastic bags the makings for a complete meal. The weight of the bags was verified by weight and sealed in a heat sealing process.

The plastic bags were then packaged by Doug Peterson of Iowa Quad Cities Rotary Club, and Paul Nichols of Iowa City

Dennis Peterson of Eldridge, North Scott, and Youth Exchange Leader Chris Knapp of Iowa City alternated between the conference presentations and the work room.

### LAST WEEK: By Becky Bray

Seventy Rotarians, guests and students from Davenport North attended the meeting on Friday, April 23. Music was led by Angie Reese and Jan Trimble gave an invocation.

Eric Langan filled in as sarge. In typical Langan style and with very little notice of having this duty this week, he managed to raise \$28 for the clubs. Those fined included Jim Smith for being in the April 2010 edition of Midwest Living (p 95) for his involvement in the AirVenture in Oshkosh, Wisconsin, Deb Hughes for grabbing the wrong nametag and Anita Wubbena for making fun of his parking. (She didn't know he would be the sarge!) He also had Bob Fox tell a story of being under the influence of drugs after a recent medical procedure – we won't be sharing details here!

Brad Burt shared that he and two of our Australian friends had a great time at the Cubs game in Chicago over the weekend and wanted everyone to know that "Americans might know how to make beer, but Australians know how to drink it."

Guest speaker Mike Mickle started by saying that he wasn't aware what he was getting into when Mary Ellen

Chamberlin asked him to speak at the North Scott Rotary, but did decide he needed more Australian friends! Mike left KWQC in April of 2009 to work on Family Focus magazine with his wife and in their 7<sup>th</sup> year, they now print 30,000 of the free publication. He says he misses being around the people at KWQC but has a much easier schedule, which his children appreciate. He is working on the magazine, a documentary with Iowa Public Television and doing a website for youth called Rule UR Game which gives them a chance to learn some reporting and some will be on Ch 8. It was just announced that he will be doing 5 week session on Channel 8 called 'Around Town with Mike Mickle' and some other things there in the future. He wrote a book called 'Growing Up with Fussypants Crankyshirt' and the proceeds go to the Children's Therapy Center.  
Thanks Becky for covering for me. Deb.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
