FRIDAY—AT SCOTT COMMUNITY COLLEGE Friday June 25th
Do not go to the Steeplegate, No Meeting July 2nd, July 8th at Steventon's

Learn About The College And what it has for you

Teresa Paper wins Regional Administrator Award.

It was very exciting to be able to attend the awards ceremony held by the National Council of Instructional Administrators where our very own Teresa Paper, Dean of the College at SCC, was honored with a 2009 Instructional Leadership Award. A panel of community college practitioners from across the country evaluated nominations and selected six individuals for recognition within their respective NCIA regions. These individuals were recognized at NCIA's Sixth Academy for Instructional Administrators, at the AACC conference on April 3rd and 4th in Phoenix, AZ. Teresa received the Instructional Leadership Award for Region Six, and Tom Coley Chancellor Pat were there to attend the recognition luncheon and to share in Teresa's reflected glory

Scott Community College was founded in 1966 and enrolls more than 4,000 students each fall. Its main campus is located on Belmont Road in Bettendorf. It also includes the Kahl Educational Center and Career Assistance Center in downtown Davenport and the Blong Technology Center near Interstate 80 north of Davenport.

In slightly more than a decade, Eastern Iowa Community College District has opened the doors on a number of training centers specializing in specific areas of study.

These centers of excellence draw together the many resources that the district and its colleges have to offer in a single location. In addition to EICCD's resources, the centers have also benefited from financial assistance at both the state and federal levels.

The most recent addition to these centers is the **Midwest Center for Safety & Rescue Training (MCSRT)**. In 2007, EICCD acquired a former water park just off Interstate 80 in Davenport. The unique features of the facility allow the college to offer water rescue training in addition to a wide variety of fire, emergency and safety training classes. Opened just two years before the MCSRT, in 2005, was the **Muscatine Industrial Technology Center**. Located on the Muscatine Community College campus, the center trains the workers of today and tomorrow in welding, hydraulics, pneumatics, electricity, programmable logic control and robotics. Located just a mile from the MCSRT is the **John T. Blong Technology Center (BTC)**. The BTC's many services include everything from credit programs to industrial training; from team building to coaching skills. The center provides local businesses and workers much-needed training and education.

VOLUNTEERS NEEDED FOR JOHN DEERE CLASSIC GOLF TOURNAMENT

A few good men and/ or women are needed to help marshal hole #16 at the John Deere Classic Golf Tournament, July 5-11, 2010. Merle Anderson is helping John Gere from the Iowa Quad Cities Club line up these volunteers. Go to www.jdclassic.org to find the volunteer information about marshal duties and responsibilities. You do not have to be a golfer to help. You can register online to be a volunteer. As always, you will need to purchase a shirt & cap to wear. Pick up dates for these are June 22 & 23 at John Deere Headquarters in Moline. Volunteer times are generally from 8:30-5:00. Contact Merle at mia24@aol.com or John at johnng@sggm.net to obtain an exact assignment or further information. Thank you.

MOONLIGHT CHASE

The annual Eldridge Festival will be held on Saturday, July 10, 2010. The North Scott Rotary Club has been asked to supply a crew of volunteers to hand out glasses of water to the people running in the race. Anita Wubben will be organizing this committee as follows: Cody Allen, Lorraine Lynch, Merle & Mary Lou Anderson, Rich & Mary Golinghorst, Chuck & Sherri Briegel, Chelle & Andrew Troje, Adam & Kim Kerns. Please arrive between 8 – 8:15 P.M. at the home (yard) at 216 West Oak Street in Eldridge. Water stations will be set up on both sides of the street. Parking will be available at the Eldridge Methodist Church (directly North of the Oak St. Home) or on other area side streets. No cars are allowed on the race route. Some clean up of the area & picking up cups are also part of the assignment. Please contact Anita if you have questions. Thanks in advance for volunteering!

DRIVING DIRECTIONS TO SCOTT COMMUNITY COLLEGE

JUNE 25 OFFSITE MEETING

These are the same directions that Teresa Paper announced at last week's meeting. Enter campus from Highway 67 (State Street) the entrance is across from Alcoa. Do NOT attempt to enter campus from Belmont Road, this entrance has summer construction. Park in lots F & G and enter through doors 9 or 10. Someone will be inside to direct Rotary members. Handicap parking is available near door 9. The buffet lunch begins serving at 11:45.

Scott Community College Continued from page 1

To the north, Clinton Community College's **Technology Center** is the home for the college's programs in Graphic Arts, Computer Aided Design and Mechatronics. Located in Davenport, is the **Graphic Arts Training and Consulting Group**. It provides expert training for newspapers, commercial printers, in-plant departments and marketing and design professionals in the areas of customer support, publishing, design and printing software, offset and digital presses and binding and finishing services. Finally, the **Advanced Technology Environmental Energy Center (ATEEC)** in Bettendorf is the only one of its kind in the country. Providing training for environmental, health, safety, energy and natural resource technicians it is also a National Science Foundation Center of Excellence.

BEN LANGE FOR CONGRESS 6-18-2010

Steve Suiter introduced the speaker, Ben Lange, from Quasqueton, Iowa, Republican candidate for Congress from Iowa district one. He was accompanied by Julie Gunderson from Independence, his Field Director. Ben graduated from Southwestern University in Texas and then got his law degree from Hamline University. He currently has a small Law practice in Independence; is married to the former Kelly Dolan and has two young daughters, Addison and Emelia.

Ben could no longer sit idle, as he strongly disagreed with policies in Washington, D.C. His political philosophy is rooted in the founding principles of our great nation, including limited government and individual liberty. Ben believes that conservatives and independents must unite to protect these principles for future generations. Ben is very sincere about his campaign or he would not be taking time away from his family and business.

Sheila Volrath and Steve Suiter gave the club information on the club's financial investments. One CD is due to mature every June in 2010, 2011, etc. Other investments are held at SmithBarney. Teresa Paper gave directions on the route to follow to Scott Community College for next week's meeting. Charlie Jones invited members and guests to attend his installation dinner on July 8 at Steventon's in LeClaire, IA. Dr. Anita is still taking orders for Rotary shirts and is also organizing the Moonlight chase water station.

Lorraine Lynch was inducted into Rotary by former president Scott Kurtz. Her sponsor is Dr. Anita Wubbena. Lorraine said that she is very familiar with the great work that Rotary does on the local and international level. She is proud to continue to support the programs that Gary was involved with.

Gene Hoth mentioned that the club will again have the opportunity to "work" at the Mississippi Valley Fair. Signup sheets will be available next week, so that you can pick your shifts to work. All proceeds will support the club. Eric Langan was the sergeant of arms and raised \$25 in fines. Sheila donated \$20 to the education fund and Mardy Morrow donated \$10.

Visiting Rotarians were Audie Foster and Duncan Cameron from the Bettendorf Club, Tom Fedje and Roger Killion from the Davenport Club and Jake Jacks from the Iowa Quad City Club. Pete De Kock, guest of Bill Tubbs was also present.

The 4 Way Test **Of the things we THINK SAY or DO**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
