ROTARY SHELTER BOX DISASTER RESPONSE

ShelterBox's response to the Haiti earthquake has been the biggest, longest and most complex in the 10-year history of the international disaster relief charity.

The first ShelterBox Response Team (SRT) was mobilized 12 minutes after the earthquake struck. Now, six months later, 22,192 ShelterBoxes have been delivered in Haiti, enough aid for more than 220,000 people.

"This has been the most challenging disaster we've ever had to face. The scale of the destruction was beyond belief," said ShelterBox founder Tom Henderson.

More than 50 highly trained SRT members, from all walks of life, have now volunteered in Haiti for ShelterBox.

One of the SRT members who spent time in Haiti is Bill Decker, current chair of the ShelterBox USA board of directors and business owner in Philadelphia.

"Huge Difference"

"With the intensive training and on-the-ground experiences we receive as SRT, nothing quite prepares one for the wholesale damage and widespread hardship that is evident at every turn in Haiti," said Decker.

"The households and businesses in rubble, especially near the epicenter in Leogane, was beyond anything I've ever seen. I felt like what I was doing as an individual was only a drop in the bucket, but then I realized that I couldn't drive past these affected areas without seeing a ShelterBox tent with a family inside and I knew that our teams have made a huge difference."

ShelterBox is committed to delivering aid to families who are most in need. To this effect, ShelterBox has formed close working relationships with partners such as the International Office for Migration, the French Red Cross, Handicap International, the Jenkins/Penn Haitian Relief Organization and ACTED in order to distribute to the most vulnerable demographics.

Tom Henderson added: "Our staff, volunteers and supporters the world over have worked tirelessly, with dedication, passion and commitment, to deliver emergency shelter and life-saving supplies to thousands of Haitian families. Wherever you look in Port-au-Prince you can see a ShelterBox tent.

"This wouldn't have been possible without the overwhelming generosity of our donors. The earthquake moved people to act, and act they have, in a way we have never witnessed before.

"During the coming months, we'll be sending another 5,000 ShelterBoxes to Haiti which, will give families the safe, secure shelter they need to start rebuilding their lives."

The 4 Way Test Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

KATHY WINE RIVER ACTION INC.

July 23, 2010

Kathy Wine, executive director of River Action, is very excited to promote the Quad Cities First Annual Paddlesports Festival – August 21, 2010 – FLOATZILLA. Guinness World Record breaking attempt for the largest flotilla of canoes and kayaks will take place at 2:00 pm in Lake Potter at Sunset Park, Rock Island, IL. The current record of 1104 was set in NY in 2008. On June 5, 2010 an unofficial record of over 1700 canoes and kayaks was set at Paddle at the Point in Pittsburg, PA. Kathy would like to have 2010 units participate in 2010, right here in the Quad Cities.

Kathy says that functions like this connect people to the water. Many wonderful projects have been done along the river's edge and she would like people to observe them. The Mississippi River has five beautiful slews, right here in the QC area. There is no need to go anywhere else with your canoe. These are safe places, free from barges and large boat traffic.

Floatzilla is a fun and memorable way to introduce friends and family to paddlesports and connect them to the Mississippi River. Registered Floatzilla participants can take part in guided floats and activities for all levels of paddlers. Details on the guided floats, including local maps are available at www.floatzilla.org. Launch sites are based on the paddler's skill level.

Steve Powell and Bill Tubbs attempted to lead the group in singing as the song leader and pianist were both absent. Dick Cole did the set up and tear down and Adam Kerns, the invocation. Steve Suiter introduced the following guests: Tony & Jaye Abbate and Neal & Jane Bredbeck, all guests of Walter Bredbeck. Dr. Nancy Kime, guest of Dr. Fred Mulch, Dr. Laura Larson, guest of Tom Messer, Rob Miltenberger, guest of John Maxwell and Kristi Edwards, guest of Dave Schnorrenberg. Also, Emily, Anna and Olivia Knoche, guests of Dennis Peterson, Susan Kalainoff, guest of Paul Kalainoff and Scott Bowman, Arthur and Andressa Camara Souza, all guests of the club. Arthur was our exchange student from Belo Horizonte, Brazil, 2 years ago. He and his sister will be visiting Eldridge for 3 weeks and should be present at the Corn Boil and Baseball game.

Pete De Kock was inducted as the newest member of North Scott Rotary. Chuck Briegel gave the charge and Bill Tubbs is his sponsor. Pete is a third generation Rotary member, so this is not a new adventure for him. Pete spent 1996-97 as a Rotary Youth Exchange Student in Italy and still says that was the best year of his life!

Charlie Jones mentioned all the various activities coming up. They are listed in the calendar of events, with more details. Scott Bowman was present, asking for hole sponsors and golf teams to participate in the "Ron Bowman Memorial Golf Outing". This will be August 14 at Rustic Ridge Golf Course. The event coordinator is John Jorgensen (355-9777), if you want more information.
