## November—Rotary Foundation Month

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

The Foundation is a not-for-profit corporation supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.

There are as many reasons to support The Rotary Foundation as there are ways to do good in the world.

By [contributing to the Foundation](#), you help support the Foundation's six [areas of focus](#), which help to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. By giving US\$100 a year through the [Every Rotarian, Every Year](#) (EREY) initiative, you become a Rotary Foundation Sustaining Member. Contributions to EREY are the primary source of funding for Foundation programs. Here are a few ways your contributions are making change possible.

### 5. Fighting hunger

In Romania, orphans and sick children have eggs, milk, and meat because of a Foundation grant that benefits local farmers. The farmers are able to buy everything from animal feed to packaging materials. There is one stipulation: They must donate a portion of their products to children's hospitals, schools, and orphanages.

In Alaska, USA, the Rotary Club of Anchorage East is also [fighting hunger](#) by distributing food to low-income families through a mobile

food pantry.

Projects such as these help address the areas of focus of maternal and child health as well as economic and community development.

### 4. Reducing child mortality

The Rotary clubs of Jaela-Kandana, Western Province, Sri Lanka, and Madras Northwest, Tamil Nadu, India, are helping to reduce child mortality by providing improved sanitation facilities for 15 families in a small community in Sri Lanka. With a [Rotary Foundation Matching Grant](#), the clubs have built 14 toilets, helping to prevent diarrhea and other diseases related to poor sanitation.

According to the World Health Organization, 1.8 million children die of diarrhea every year, making it the second leading cause of death among children under five. Proper sanitation can reduce the rate of child mortality in many communities by up to a third. Water and sanitation is the third area of focus.

### 3. Promoting peace and conflict resolution

Watching civil war tear apart his homeland of Côte d'Ivoire instilled in Rotary Peace Fellow Kouame Remi Oussou a passion to resolve conflict.

He is now working for the [United Nations Development Programme](#) in the Central African Republic, a country that weathered periodic internal fighting before a comprehensive peace accord took effect in 2007. [Read more about Oussou](#).

[Rotary Peace Fellows](#) are leaders in promoting national and international cooperation, peace, and conflict resolution. [Help support the Rotary Peace Centers](#). Peace and conflict prevention/resolution is the first area of focus. [Read about four Rotary Peace Fellows and their visions for peace](#).

### 2. Basic education and literacy

Education helps rebuild lives, whether it's in small rural towns or in war-torn countries. For example, a literacy project sponsored by U.S. Rotarians in conjunction with the International Reading Association (IRA) is helping Sudanese refugees rebuild their communities by equipping them to teach future generations.

The Southern Sudan Teacher Training Initiative provides refugees of the country's decades-long civil war, who are known as the Lost Boys and Girls of Sudan, with teacher training materials, guidance, and support to help them teach students in kindergarten through eighth grade. "People returning from refugee camps to rebuild their lives in Duk County are hungry for books and school supplies," says John Dau, a Lost Boy, humanitarian, and founder of the John Dau Foundation. [Read more about the project](#).

### 1. Eradicating polio

Around the world, Rotarians are taking millions of steps in walkathons, diving into icy ocean waters, and participating in other [fundraisers](#) to help Rotary fulfill its promise to rid the world of polio. Si Burgher, of the Rotary Club of Bloomfield, Indiana, USA, raised almost \$1,600 by having his shaggy eyebrows shaved.

Rotary launched its [PolioPlus program](#) in 1985. Since then, eradicating polio has been the organization's top priority. [End Polio Now](#) and help fulfill its promise

## ANNUAL AUCTION at the Mississippi Valley Fairgrounds

October 28, 2010

Approximately 230 members, spouses, friends, co-workers, former members and local visiting Rotarians joined in the fun at the Starlight Ballroom on Thursday, October 28, 2010. A delicious meal was catered by Reife's Restaurant and local auctioneer, Scottie Bowman, once again provided a certain amount of entertainment as he auctioned off 40 items plus 7 apple pies in the live auction. 180 silent auction items were around the room and kept everyone busy from 5:30 to 6:45 trying to outbid the next person and "win" the purchase of their favorite item.

Lisa Brinnen organized the first pie baking contest in conjunction with the auction. Seven pies were entered and judged earlier in the afternoon, by President Charlie Jones, golf winners Steve Powell and Jeff Helms and the Mystery judge, Dorothy White. First place pie was awarded to Deb Hughes. Other pies were baked by Mary Golinghorst, Tracey

Kuehl, Jean Schinckel, Marilyn Puck, Linda Paustian and Kathy Fredrickersen (Marcia Koehler's sister). Thank you ladies!

The 60 inch flat screen television was \$50 a chance in this year's only raffle. 52 cards were sold. The last three card holders standing were Myron Scheibe, Jim Koehler and Scott Bowman. Scott Bowman was the winner of the TV. His wife, Linda, commented that she told Scott not to buy a card this year, but she was glad that he didn't listen to her.

### **The 4 Way Test** Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
