Greg Schaapveld

With the Charge read by Past President Jim Smith, Greg Schaapveld joined North Scott Rotary as its newest member on Friday, April 13. He resides in Park View, Iowa with his wife Kendra and young son, Mason. His sponsor is Carolyn Scheibe and he is a civil engineer with Shive-Hattery, Inc. in Moline, Illinois. Greg graduated from Muscatine High School and Iowa State State University.

Greg likes to run and is excited to meet fellow Rotarians and get involved in the community activities that the club has. Last fall Greg was an assistant coach for a Lego Robotics team. Please welcome Greg to North Scott Rotary!

North Scott Rotary had a very successful District 6000 Conference, April 12, 13, 14 at Riverside Iowa

President Becky Bray is shown at left with District Governor Don Patterson. Becky is accepting the award for Attendance at District Conference. North Scott has won this award four out of the last five years. Way to go.

North Scott also won a Presidential Citation given for meeting the strict criteria set up by the International President, Kalyan Banerjee from India. There were 11 of these awards given in the entire District 6000.

In Addition, **North Scott Rotary** was presented with the **Change Maker Award**. This prestigious award was only given to five of all the 63 clubs in District 6000. The criteria for this award is set directly by International President Kalyan Banerjee. Congratulations to all the members of The Rotary Club of North Scott. It is all of your hard work, devotion and support of local, Humanitarian, Youth, and International Projects.

Friday at the Steeplegate

Congressman Dave Loeb sack, who grew up in poverty and was raised by a single parent, is living proof of how community support can make a difference in people's lives. He faced many challenges but with hard work and help from teachers, friends and mentors he was able to overcome his many hardships. As a result, Dave has dedicated his adult life to helping people find opportunity and hope.

Dave grew up in Sioux City, where he attended East High School. After graduation, Dave attended Iowa State University, where he earned a Bachelor's and a Master's Degree. Dave then went on to earn a PhD from the University of California, Davis. In 1982, Dave moved back to Iowa and became a teacher at Cornell College in Mt. Vernon. Today, Dave has the honor to serve as a Professor Emeritus at Cornell College.

Sherri Briegel is presented the award in appreciation of her Husband, Chuck Briegel, Past President of the Rotary Club of North Scott, and Assistant District Governor to DG Don Patterson

Who's who in
North Scott Rotary?

Margo McInnis, program chair, thought it would be a good idea for everyone in attendance to stand up, tell their name, where they work and one thing that people might NOT know about them. Becky said that she knew John Maxwell, when he was a quiet person and Dougal used to make moonshine with his grandfather. Jim Koehler is also known as Clark Kent and Jeremy Kaiser plays the drums.

Sixty four people attended on Friday, including Paul Holzworth and Todd Gullickson, both awaiting membership. Other guests were: Chad Ulrich, guest of Bill Rossow and Ryan Davis, guest of Jeremy Kaiser.

John Maxwell was the sergeant and collected \$85. He fined Jack Schinckel for advertising the German choir that is coming and Greg Schaapveld for becoming the newest member. Ann Hanson's new grandbaby was born on April 12. Other items discussed appear on the calendar.

Special Olympics

Many members of the North Scott Rotary came out to support the Special Olympics held at North Scott Schools this past Saturday. This will be highlighted with pictures in next weeks newsletter.

Thank You to all members participating in the recent GSE team visit from New Zealand

Dear North Scott Rotary,

North Scott Rotary's successful hosting of the Group Study Exchange team from District 9910 in New Zealand wouldn't have been possible without the active support and involvement of many, starting with our home hosts (Loren and Jodi Rickard, Lori and Scott Rochau, Ken and Annette Tank, Fred Mulch and Nancy Kime, Chris and Connie Connolly, and John Maxwell), and including many more:

- Margo McInnis and the Convention & Visitors Bureau for the city tours.
- John Maxwell and the cooks and musicians at Cinnamon Ridge who outdid themselves.
- Drivers: Rich Golinghorst and Glen & Jean Keppy.
- The Davenport and Bettendorf Rotary clubs for hosting at their meetings.
- Eddie Newman for arrangements for a day at the Arsenal.
- Deb Hughes and Genesis for the hospitality suite at the baseball game.
- Vocational hosts: Becky Bray, Julia Blazevic, Teresa Paper, Steve Suiter, Nate Kessler, Ken Tank and John Maxwell. Due to the illness of team members, Cheryl Goodwin and Jeremy Kaiser did not get to host, but we thank them anyway.
- Faith Lutheran Church for use of facilities for the potluck, and Glen Keppy for the pork chops.
- President Becky, and secretary Dennis Peterson and Deb.
- Club members and spouses who came to the various activities and extended friendship.
- Everyone who extended a welcome at our meeting last Friday.
- A special thanks to Lori Rochau and Paul Kalainoff who attended the first five committee meetings and were instrumental in the planning. With Paul out of the country when the team was here,

I hope you will agree that this was a fun and positive experience for all concerned that achieved and surpassed the objective of GSE, "to further international understanding, friendship, goodwill and peace."
