Special Olympics Track & Field 2012

North Scott Rotary once again celebrated our Special Olympic athletes. Many Members of our Rotary Club came out in force to support these athletes in their special endeavors to show us all what they

can accomplish. This continues a many year involvement in this great endeavor. Our club participates on both the local level and the State level. Pictures thanks to Nancy Meyer

Steve Ahrens has worked for Davenport's Levee Improvement Commission as its Development Director since September of 2006. The Levee Commission provides stewardship for the more than nine miles of publicly-owned riverfront land along the Mississippi River.

Prior to that, Steve was the Alumni Director at St. Ambrose University, where he received both his undergraduate degree and his Masters of Business Administration. Steve served on the Davenport City Council as Alderman at Large from 2001-2005.

In his work with the Levee Commission, Steve has worked to promote the riverfront as a dynamic, family-friendly place. Some of his proudest achievements include the creation of the Freight House Farmer's Market and the local foods thematically-connected complex underway at the Freight House.

Steve serves as the President of Senior Voice and as Treasurer of the Church Council at St. Paul Lutheran Church in Davenport.
