### New Year New President

President Becky Bray installed New President John Maxwell on June 22nd at the Steeplegate John began his year with

a promise to not derail the train that Becky has engineered.

John addressed the need to retain all current members and make our strong club even stronger. He showed a short video about the power of words. The catch line was "What did your do to my sign?"

Answer: "I said the same thing, just in DIFFERENT WORDS"

Past President Charlie Jones presented the traditional Past President Pin, and Gavel to outgoing President Becky Bray. We were also presented a special award as Best **CHANGEMAKER** in all of Zone 28. See next page.

### New Rotarian of the Year Award

Was presented to Lorraine Lynch by Charman of the Past Presidents Committee Charlie Jones. He reiterated the many ways in which Lorraine has contributed to the club,

Including accepting mid year chairs of two committees. Lorraine said that her late husband, Past President Gary Lynch, was smiling. She was presented with a certificate and her name is engraved on the permanent plaque.

### THIS FRIDAY AT THE STEEPLGATE

### GILDA'S CLUB With Claudia Robinson

From then to now, While the primary focus of Gilda's Club is to provide social, emotional, and educational support to families affected by cancer, we are now just learning of the full impact of our work. While one of the smaller affiliates within the network, Gilda's Club Quad Cities has assumed a leadership role within the organization. Our club has been selected as a research site for several important studies. Learn how we have worked to change the face of cancer care throughout the country, and how our work reduces medical costs and positively impacts the workplace.

**40 Total Awards**

## LAST WEEK

Last Week – Installation of John Maxwell - June 22, 2012

It was a day of awards and a “new” president. John Maxwell was installed as the new president of North Scott Rotary. Lorraine Lynch received the “Rotarian of the Year” award, for her hard work on the attendance and public relation committees. Also for her continued support of the Scott Community College scholarships. Paul Kalainoff received his first Paul Harris designation. Forty members received perfect attendance pins. All of these were distributed by Becky Bray and Charlie Jones.

The club was honored to receive the Zone 28 Changemaker award for clubs over 50 members. Bill Tubbs presented the certificate to Becky, for the club, in the absence of DG Don Patterson. Marcia Brandt received her Blue Badge, after completing the new member requirements.

Sixty one members and ten guests attended on Friday. Visiting Rotarians were Bob Werner from Las Vegas and John Gere from the Iowa Quad Cities Club. Other guests were Terrye Kishuie, Edwin, Amy and Kara Maxwell, Joan Richards, Bill, Janet and Stacey Brandt.

Paul Holzworth gave \$5 to the education fund in honor of his 50<sup>th</sup> wedding anniversary. Greg Schaapveld gave \$20, announcing that he and his wife will be having a second son in November.

**TO: NORTH SCOTT ROTARY**

District Governor Don Patterson is out of town and asked me to present a special award to North Scott Rotary.

Every year, the president of Rotary International chooses a theme and challenges clubs to do activities in Rotary's Avenues of Service – Club, Community, Vocational, International, and Youth (New Generations). Clubs that do this receive the Presidential Citation, which North Scott Rotary has received annually for many years.

Additionally, the president sets criteria that are tougher to meet for a higher award. This year's RI President, Kalyan Banerjee of India, called this award the "Changemaker Award." In District 6000, just two clubs received the Changemaker Award in 2011-12 – North Scott and West Liberty.

But the award that Governor Don asked me to present is the Changemaker Award for clubs of 50 or more members in Zone 28. What is a Zone? There are 34 Zones in the Rotary world and we are in Zone 28, which includes 12 districts, and clubs in Nebraska, Iowa, Illinois, Minnesota, North Dakota, Wisconsin, and a portion of Ontario, Canada.

Based on criteria that were submitted to Governor Don in March and forwarded to Rotary International, North Scott Rotary was judged the best club of 50 or more members in this region. We were then one of 34 clubs who were eligible for the Rotary International Changemaker Award that was presented at the RI Convention last month in Bangkok, Thailand. That award was won by the Rotary Club of Roseville, in District 5180 in California. I know this because their club president, Brian Gladden, traveled with me to India in February and mentioned it in a recent e-mail to the group. I replied that Roseville must be a very good club, because North Scott Rotary was the winner in Zone 28! The Zone selection was by Betsy Demaray of Saulte Ste. Marie, Mich., who is our director on the Rotary International board. She is the first woman from North America to serve on the RI Board!

What did North Scott Rotary do to achieve this distinction? Here are some of the things:

- We inducted members under the age of 40.
  - We have three or more fellowship events that involve non-Rotarians.
  - We have undertaken a significant public image campaign in the community.
  - We have a leadership plan that involves all members on committees.
  - Our members display the Declaration of Rotarians in Business and Professions at their places of business.
  - We have been involved in vocational programs (Career Day) in the community.
  - We put the Four-Way Test in the Student Dictionaries.
  - We have membership days that tell non-Rotarians about Rotary.
  - We do a community environmental project: cleaning the flower beds on LeClaire Road in Eldridge.
  - We partner with organizations like Special Olympics and many others to provide community service.
  - We have done fundraising to create awareness of polio eradication.
  - We sponsored two Rotary Foundation Matching Grants to address world poverty and ensure environmental sustainability.
  - We give to The Rotary Foundation.
  - We participate in Rotary Foundation programs such as Group Study Exchange.
  - We have sent Rotarians as volunteers to other countries.
  - We are chartering an Interact Club at North Scott Junior High.
  - We supported youth at RYLA (Rotary Youth Leadership Awards).
  - We hosted and sent Youth Exchange students.
- And many more.

It takes many members and club leadership to do this. Congratulations to North Scott Rotary!
