FRIDAY—AT THE STEEPLEGATE

North Scott History Project to Washington

4 Students (2 Granddaughters of Rotarians)

Exhibit at Smithsonian Institute

Four North Scott Students including two granddaughters of Rotarians: Taylor Gehrls granddaughter of Ken Tank, and Emily Bainter, granddaughter of Bob Bainter. The other members were Emma Hubner and Cydnie Carmody.

They will present/demonstrate their project and tell about their trip to Washington DC and the Smithsonian Institute.

The project is Tinker vs Des Moines; protesting war, debating the first amendment to the US Constitution. Joining her students will be History Teacher Chris Green, who accompanied them to Washington.

35 Iowa students earn trip to National History Day national contest

(DES MOINES) – Thirty-five Iowa students who competed in Monday's National History Day in Iowa Junior Division (grades 6-8) contest have advanced to the 2011 National History Day Contest in Maryland.

They join 34 other students from last week's NHD in Iowa Senior Division (grades 9-12) contest who will represent Iowa at the 2011 Kenneth E. Behring National History Day Contest June 12-16, 2011, at the University of Maryland.

The contingent of 69 Iowa students will compete against nearly 2,500 students from the United States, Guam, America Samoa, Department of Defense Schools in Europe, and

Shanghai, China, for scholarships and prizes.

National History Day is an academic-enrichment program that helps students learn about historical issues, ideas, people and events. The year-long academic adventure fosters students' enthusiasm for learning and encourages them to use primary, secondary, community and statewide resources on a subject of their choice related to an annual theme. The theme for 2011 is "Debate & Diplomacy: Successes, Failures, Consequences."

Working individually or collaboratively in groups of two to five, students compete in a variety of categories, including historical papers, individual and group exhibits, documentaries, performances and Web sites. Students in grades 9-12 compete in the senior division while students in grades 6-8 compete in the junior division. Students in grades 4-5 may participate in the non-competitive Iowa Youth Division.

In addition to discovering the world of the past, the NHD program helps students develop the following attributes that are critical for future success:

- critical thinking and problem-solving skills
 - research and reading skills
 - oral and written communication and presentation skills
 - self-esteem and confidence
- a sense of responsibility for and involvement in the democratic process

Happy Birthday to these Rotarians. Enjoy a free piece of birthday cake. All others please pay \$1.00 per slice.

Thank You,

Words cannot express my gratitude for the supreme effort you all put into marshalling at the John Deere Classic this year. Other than the sticky humid heat, it was an incredible tournament with a nail-biter conclusion. I hope you all had as much fun as I did, and that you will join the team next year. I already have a 2012 signup sheet started (July 11-15). I particularly want to thank the North Scott Rotary Club for filling in so many slots for me. Merle, you did a great job as point man. All the best to you.....stay out of the sun for a few days!

Meeting Notes:
Annual Corn Boil

John Maxwell and his hard working corn boil committee did a wonderful job of preparing and serving grilled chops, sweet corn, assorted salads, drinks & desserts for approximately 210 Rotarians and guests.

The talented "Golinghorst" Scott County Pork Producer grilling team cooked the chops perfectly. John had a few tense moments trying to get all the corn cooked fast enough. The propane cookers decided to go on break and only put out minimal heat. This was remedied, and other methods of cooking were used to create fantastic tasting corn

which was enjoyed by all. The sweet corn was donated by Golinghorst Farms, Inc. Rich and his son and son in law timed the growing perfectly (with the help of the heat) to provide us with some of the best corn ever. Thanks Rich!!

Fifty four North Scott Rotary members attended, along with Myron Scheibe from the Moline Rotary and Duncan Cameron from Bettendorf Rotary. Several Fair Board members also attended, along with former Rotarians Bob Fox, Bob Petersen and Jim Rastrelli.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
