FRIDAY—AT THE STEEPLEGATE

Dr. Ann O'Donnell

When is it Time for Hospice Care?

By Dr. Ann O'Donnell
Medical Director, Genesis Hospice

As the end of life is approaching and the goal of care is directed toward comfort and a reversal of a disease process is not the goal, then specialty care is needed. Genesis Hospice provides that specialty care for individuals that not only have a terminal illness such as cancer but also when an elderly person is failing, in the end stages of Dementia, End Stage Parkinson's disease, ALS, after a stroke, End Stage lung or heart disease. Several other diseases can be included as well. Hospice care is not only for the patient but for their family, friends and loved ones. A multifaceted approach is used addressing the physical, spiritual and emotional needs of all. Genesis Hospice Care will be provided in your home, assisted living facilities, nursing homes or the Clarissa C. Cook Hospice House. The 16-bed Hospice House is a beautiful addition to our community that only Genesis

provides and is there for any hospice patient that needs continuous 24 hour care. It is difficult to determine when it is the appropriate time to initiate hospice care. One phone call to the Customer Service and Referral Center at 563-421-HOME or 563-421-4663 and the information you need to make a well informed decision is yours.

Dr. Ann O'Donnell is a specialist in Internal Medicine with the Genesis Health Group at the Davenport Clinic. She graduated from Lutheran Hospital School for Nurses and practiced as an RN for 11 years at Mercy Hospital, the Genesis predecessor, the University of Iowa Hospital and Clinics and also as a paramedic for Medic Ambulance. Dr O'Donnell returned to school at St. Ambrose and received a BA degree before attending the University of Osteopathic Medicine and Health Sciences and received a Doctor of Osteopathic Medicine Degree. In 1998 she came back to the Quad Cities and initially practiced with River Valley Healthcare until 2001 when she joined her well-known grandfather, Dr. Jack Sunderbruch at the Davenport Clinic. She was able to practice with him for 2 years until he retired and she assumed responsibility of the clinic. Dr. O'Donnell has been involved in hospice care for more than 8 years. Although she is still practicing Internal Medicine with Genesis Health Group at the Davenport Clinic, in 2010 she assumed the role of Medical Director for Genesis Hospice.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

FIRST NEW MEMBERS OF ROTARY YEAR

Marcia Brandt and Seth Porter joined North Scott Rotary on August 12, as the first new members for the 2011-12 year.

Marcia is sponsored by her father-in-law, Don Brandt. She is the Client Services Manager for Results Marketing and co-owner, with her husband, Bill Brandt, of a screen printing business, called brand T Screen Printing. Marcia lives in Davenport and has 2 step children. She is a graduate of the University of Iowa and St. Ambrose. Marcia's hobbies include traveling, knitting, reading and Formula One racing.

Seth is sponsored by Rob White. The White & Porter families have been friends since Seth was in diapers, Rob shared. They have also been on hunting trips together. Seth lives in Eldridge and is married to Rebecca. He is employed in the family business of Porter Insurance. He is currently vice President of the North Scott Chamber and also enjoys golf and softball.

YOUTH EXCHANGE BROTHERS

Nat Gaston (outbound to Ecuador) and Mikel Ursua Alonso (inbound from Spain) met at Friday's meeting.

Nat graduated from Davenport West in May and is the son of Lee and Lisa Gaston of Blue Grass, Iowa. He leaves on Thursday, August 18 for a 10 month

exchange to Ecuador, arranged by Paul Kalainoff. His sister, Eleanor, was also sponsored by North Scott Rotary, 2 years ago on an exchange to Argentina.

Mikel arrived in Chicago on August 4, accompanied by his host brother, Evan Kurtz, whom had been visiting Spain the past few weeks. Mikel started school Monday, August 15, at Bettendorf High School. He will spend his exchange living with Scott and Dixie Kurtz. Mikel has a younger brother and along with his parents, Miguel and Trinidad, live in Vigo, Spain. He is sponsored by District 2201 in Madrid, Spain.

Our Newest members Seth Porter & Marcia Brandt

What Rotarian was caught in a tie and threatened the photographer taking his picture?

Looking Good Rob White
He is the sponsor of one of our newest members
Seth Porter

Merle Anderson writes;

I was in Moldova in July 2011 for my tenth time in that country. Each time there was for a 3-week assignment. I have attached one photo.

The photo was taken a couple of weeks ago in Ignatei village, in northern Moldova. The Vita-Lact Cooperative Manager had invited me to visit them and discuss the progress they are making, as well as their future plans. We arrived at Noon on a Friday and they were expecting us. They set up a table under grapevines growing on a cover over the walkway. They prepared a lunch for us. We ate, drank and visited for over five hours.

From L-R: Merle, one of two staff veterinarians, the Board President, the Cooperative Accountant and Vasile Gheorghita, the Manager and CEO of Vita-Lact Cooperative. Several other employees joined us for lunch, then went back to work and missed the photo.

I went to Ignatei village for the first time in May 2001. I helped them form a milk-receiving Cooperative. They were chartered with 13 members. In August of 2001, they opened their new business and starting receiving milk. Prior to the Cooperative, peasant dairymen had no market for their milk. In December 2001, I returned for another three weeks and helped the Board of Directors and the Manager develop a Strategic Business Plan, including Financial Reporting, Budgeting, Management versus Leadership, Human Resource issues, including Job Descriptions, Standards of Performance, Performance Evaluations, etc., etc.

Over the past ten years I have re-visited them six more times, as well as keeping in touch via E-mail. They are approaching the 10 year anniversary of when they opened for business. Their membership has grown to 440 members and they collect milk in 10 neighboring villages.

They provide other services for their members such as veterinary services, custom hay mowing and baling and chopping corn silage. About two years ago, they started to pasteurize and package milk for sale in markets and schools. This Fall, they are launching new products such as: milk, cottage cheese, sour cream and butter. They have taken the income they have earned and plowed it back into their business, to provide more products and services.

This little Cooperative, in a remote part of northern Moldova, has turned into the "poster-child" of how to form and operate a business in the poorest of the 13 countries that made up the former Soviet Union. I am very proud of them.

Merle also wants you to look over the following opportunity

Dear Fellow Rotarian:

We are sending this correspondence to you because you have either traveled with us before on immunization or West Africa Project Fair trips, or you have indicated interest in participating in one of these programs in the future. Although this program is not a polio immunization trip, it will provide a similar experience of getting into the villages and communities of Senegal, looking for opportunities to help the children of Africa, and to create new friendships.

Have you ever heard Rotarians speak about their personal experience participating in a polio eradication exercise, or a cleft lip/cleft palate mission, or a work on a matching grant? These trips have a profound effect upon the individual. For those of you who have gone on one of these trips you know, and for those of you who have yet to enjoy this experience, you should.

The experiences you have on one of these trips stay with you forever. You get up early in the morning, travel with local Rotarians to a village, health clinic or impoverished neighborhood, and for the next few hours, you change. Small children come up to you to say thank you. Mothers and fathers smile at you knowing that you are giving their child a chance for a better life. You meet with the leaders in the village to learn of their needs and their hopes. It is hot; it is dusty; it makes you uncomfortable; it is exquisite.

Immediate past Rotary International President Ray Klinginsmith has told us he will travel with us to Dakar, Senegal to attend the Project Fair, select a project or two for his club to support and engage the Rotarians in Senegal. We are inviting you, and your club members to join Ray and the rest of us to Dakar, to witness, first hand, the possibilities of what Rotary and your club can do to help Africa. The purpose of this e-mail is to offer to you and the Rotarians in your club, such an opportunity. From October 26 - November 2, 2011, Rotarians will travel to Dakar, Senegal, West Africa to attend the 7th Annual West Africa Project Fair, participate in community health and school program, and to engage with the local Rotarians in a community service program. The West Africa Project Fair is an official program of Rotary's Reach Out to Africa Program.

Attached to this correspondence is a detailed folder describing the trip to Senegal, summarized as follows: Trip Dates: October 25 - November 2, 2011 Travel to: Dakar, Senegal (West Africa) Program includes: Hotel accommodations, transfers, most meals, hands-on field work, visits to local communities to experience and explore and to provide service to Rotarian humanitarian programs, West Africa Project Fair registration, special Rotary and fellowship events, sightseeing, etc.

Participants will spend time with Senegalese Rotarians to explore their communities and see the service and experience fellowship that only Rotary can provide. Further, participants will attend a two-day West Africa Project Fair, where Rotarians from 15 West African nations will present possible humanitarian grant projects. It is an extraordinary event that will expose your members to new cultures, projects, friends and opportunities. Please announce this program in your club or newsletter. Ask people to join you on this trip. For those of you who have made one of these trips in the past, you may not have the ability to join us. You are encouraged to invite the Rotarians in your club to join this program. Let me know if you have any questions. Because of limited space, we expect this program will sell out in the next few weeks. I hope that you will join fellow Rotarians to provide service, fellowship and a wonderful highlight of your experience as a Rotarian. We hope to hear from you soon.

Meeting Notes: District
Governor Don Patterson

About sixty Rotarians and guests were present on Friday to learn the goals of the new District Governor, Don Patterson from Washington, Iowa. Also attending was his wife and a Rotarian, Becky Patterson. Don joined Rotary in 1974 and has been in 5 different Rotary clubs. The Patterson's have lived in 7 states, while he was in Hospital Administration in 9 different hospitals. He just retired on July 1, 2011.

Don said it was a pleasure to visit the club and learn all that this club does. He believes that everyone is different, has their own obligations, and ideas about what they want to obtain from being a Rotarian. You should get involved and find your own area of passion.

He was very impressed that new members Seth Porter and Marcia Brandt became members today. Also that the outbound Youth Exchange

student, Nat Gaston and inbound student, Mikel were both present. (See previous page for more info about these items.)

Other guests were: Lee and Lisa Gaston and Linda Tubbs. Jeff Helms talked about the Golf Outing, coming up soon, on September 9. He encouraged members to get signed up with their teams, as only 44 golfers will be allowed that day on the back 9 holes at Spring brook Country Club.

Jim Smith was the sergeant and collected \$51. He fined the Governor (of course), Glen Keppy for the giraffes in his corn field, Don Brandt for riding around the fairgrounds last week in a golf cart and Leroy Paustian, for his wife winning a baking contest at the fair. Also, if you did not have on your Rotary pin (like Rob White, 33 years perfect attendance) you were to pay a buck.

Note from last week: Kelly Meyer was the sergeant on August 5 and collected \$55.
