### +++AUCTION UPDATE+++

The auction committee is very busy selling raffle tickets, homemade pies and lanyards and collecting and cataloging the donations as they come in. The auction is NEXT week and they want everyone to participate by asking for donations and bringing a full table of guests. Every member has been billed \$50 (auction assessment) which entitles you and a guest to attend the auction dinner and purchase any item that interests you. For an additional \$50, you can fill a table with 6 more guests. (That is a real bargain!). Many thanks to these Rotarians who have already committed to a full table or two:

Steve Fahrenkrog	Mark Huse (2 tables)
John Maxwell	Jim Koehler (2 tables)
Keith Mattke	Angela Reese
Steve Suiter	Anita Wubbena
Jeremy Kaiser	Ken Tank
Paul Seelau	Marty O'Boyle
Adam Kerns	Randy Zobrist

### RECENT RESIGNATIONS

Dear Becky & Dennis:  
Though I regret telling you, I must step away from my membership in the North Scott Rotary Club. As you know, I will be retiring at the end of the year & I will be spending more time with my family, particularly those living out of town. I have thoroughly enjoyed my participation with Rotary, especially the Rotary Reads program.

My best to everyone! Tracey Kuehl

ALSO, Lee Ittenbach has resigned due to health reasons.

## Xicotepec Project Information 2012

Dear District 6000 leaders,  
The Xicotepec Project application form for the March 2012 project team trips to Xicotepec, Mexico is now available online (please note that this is the \*only way\* to submit an application for the March, 2012 trips). # World Polio Day: Create awareness of our quest to eradicate polio

By Doug Peterson

In October, we observe both World Polio Day (24th) and the birthday of Dr. Jonas Salk (28th), who developed the world's first safe and effective vaccine against this crippling and sometimes deadly disease. We also celebrate the fact that the world is on the verge of eradicating one of the most feared diseases of the 20th century.

When Rotary launched its push to end polio in the 1980s, the poliovirus crippled nearly 1,000 people every day. Since then, Rotary and its partners in the Global Polio Eradication Initiative have reduced the incidence of polio by 99 percent. And the push continues. This year, India, one of only four countries in which polio remains endemic, has the lowest number of polio cases in its history. Along with India, only Nigeria, Pakistan and Afghanistan remain polio endemic. We are "this close" to ending polio once and for all. But as long as the wild polio virus is alive anywhere, it can spread everywhere. It is just one airplane flight away.

Doug Peterson

Despite this tremendous progress, children in these developing countries continue to be infected. That's why Rotary and its partners must reach every child in some of the most challenging regions of the world with its oral vaccine. But the greatest challenge to the polio eradication effort is a funding shortage.

Addressing that shortage, Rotary is working to raise \$200 million in response to a \$355 million challenge grant from the Bill and Melinda Gates Foundation. All of the resulting \$555 million will support crucial immunization activities in countries where polio still threatens children. Rotary club members worldwide already have raised in excess of \$185 million toward the \$200 million challenge.

Over the past 26 years, Rotary's 1.2 million members in 200 countries and regions, including the 15 clubs in the Quad-City area, have contributed more than \$1 billion and countless volunteer hours

to help immunize more than two billion children in 120 countries. Rotary also reaches out to governments worldwide to obtain vital financial and technical support. Since 1995, donor governments have contributed in excess of \$8 billion to polio eradication, due in part to Rotary's advocacy efforts.

The commitment of Rotary volunteers worldwide demonstrates the extraordinary role civil society can play in improving global health. Right now, in honor of World Polio Day, Rotary clubs around the globe are doing their part to raise awareness and critically-needed funds to vanquish the disease forever.

Once eradicated, polio will join smallpox as the only two human diseases ever eradicated, fulfilling Rotary's promise to create a polio-free world.

North Scott Rotarian Bill Tubbs participated in a Sub-National Polio Immunization Day in Nigeria in 2007, delivering the "drops of life" to children.

## Global case count gives room for optimism

By PDG Susan Herrick/Boone  
D-6000 PolioPlus chair

World Polio Day is again on Oct. 24. The PolioPlus Challenge Committee is asking that all D6000 Rotary clubs have a member or a number of their members have their pictures taken and put on the "We Are This Close" site and then run those pictures on posters, billboards, in newspapers, or in their club newsletters around World Polio Day. This can be done by going to the RI website: [www.rotary.org](http://www.rotary.org) and entering We Are This Close, followed by selecting "Make Your Own Ad" and following the directions how to enter your face into a "We Are This Close" ad.

The committee believes that a local face attached to the PolioPlus Challenge will draw the attention of Rotarians and their communities. If we run these spots district-wide around World Polio Day this will serve to once again bring polio to the attention of our communities.

**Polio Eradication update:** Globally there are 327 cases year-to-date for the week ending 8/20/11. The total last year on this date was 612. Again, there were no new cases last week in India and Nigeria with new cases reported as 6 in Pakistan, 1 in Afghanistan,

7 in Chad and 4 in Cote d'Ivoire. The 2011 Polio Case Breakdown by Country is (with totals for 2010 in parenthesis): **Endemic Countries:** 1 India (42), 24 Nigeria (21), 69 Pakistan (144), 12 Afghanistan (25). **Importation Countries:** 4 Angola (33), 3 Burkina Faso (0), 100 Chad (26), 1 Congo (384), 32 Cote d'Ivoire (0), 75 DRC (100), 1 Gabon (0), 1 Guinea (0), 0 Kazakhstan (1), 0 Liberia (2), 4 Mali (4), 0 Mauritania (5), 0 Nepal (6), 1 Niger (2), 0 Russian Federation (14), 0 Senegal (18), 0 Sierra Leone (1), 0 Tajikistan (458), 0 Turkmenistan (3), 0 Uganda (4).

The committee noted that outbreaks in importation countries are quickly brought under control but that until we have completely eradicated polio there will continue to be outbreaks of this disease. Therefore, it is crucial that we continue to work toward eradication of this disease.

It is important that we continue to stress to our clubs that the **ULTIMATE GOAL** is not to reach the Gates Challenge Goal but to attain the No. 1 priority of Rotary International to eradicate polio for the planet.

We thank all D-6000 Rotarians for their continued efforts to help Rotary International achieve its No. 1 Goal – the eradication of polio from the planet. Help us keep our promise to the children of the world.

Diane Stanley: SCC  
Hospitality Management

Diane Stanley is the lead instructor of the Hospitality Management program at Scott Community College. A brand new culinary arts building opened at the Bettendorf campus in 2010. The service industry is growing and more people have entered this growing industry. SCC offers the only Hotel Management apprenticeship program in the state of Iowa. As a student in this program, you only attend class, one day a week. All the other time is spent at a job, learning the skills needed.

An Event Management certificate is also available at SCC. Each student in these programs must work at one community service event per year. The Hospitality club travels to Las Vegas and Chicago to become familiar with the venues in these cities. The students earn funds to pay their own way to these cities. Hands on experience are available on campus, as commercial laundry machines and a fully equipped bed room suite are located within the building.

Fifty five members and guests attended on Friday. Guests included Clara Littig, guest of Teresa Paper, Kieran Connolly, guest of Chris Connolly and Garrett Paustian, guest of Leroy Paustian.

Jeremy Kaiser thanked all the members who helped at the Pride of the Wapsi the evening before. Nine organizations were represented with a little over 200 children. Every child received a knapsack, with a Rotary logo and a pair of warm gloves. Also a small pumpkin, walking taco and smores. It was a wonderful evening with great weather.

Keith Mattke was the winner of \$95 in the 50/50 drawing. Jim Koehler purchased a walnut raison pie for \$125 and Rob White an apple pie for \$100. Lanyards went to John Maxwell for \$10 and Marty O'Boyle for \$35. John Maxwell was the sergeant and collected \$63. Eric Langan gave \$40 for the 40<sup>th</sup> anniversary of CarpetLand USA.
