FRIDAY—AT THE STEEPLEGATE

Rotary Foundation

Teresa Paper Steve Suiter Nancy Glawe

.Through Foundation grants and programs, Rotarians and other contributors can help change the world. They can finance a well for a village that lacks clean water, improve the environment, or provide scholarships to educate the next generation. The grants and programs available to Rotarians allow them to realize Rotary's humanitarian mission throughout the world, including its number-one goal of eradicating polio.

PolioPlus

To eradicate polio, Rotarians have mobilized by the hundreds of thousands. They're working to ensure that children are immunized against this crippling disease and that surveillance is strong despite the poor infrastructure, extreme poverty, and civil strife of many countries. Since the PolioPlus program's inception in 1985, more than two billion children have received the oral polio vaccine.

Rotary's US\$200 Million Challenge is the Rotary Foundation's response to the two grants totaling \$355 million from the Bill & Melinda Gates Foundation to help eradicate polio. Every dollar given to PolioPlus will be counted toward the \$200 million match, which must be completed by 30 June 2012.

PolioPlus Grants – Primarily applied for by National PolioPlus Committee chairs or a major partner agency, such as the World Health Organization or UNICEF. Support is available for eradication efforts in polio-endemic, recently endemic, and high-risk countries, including National Immunization Days, poliovirus transmission monitoring, and other activities.

Humanitarian Grants Program

Disaster Recovery – Allows Rotarians to donate money in response to specific disasters. Funds are distributed to local committees to support recovery efforts. The program was created in 2005-06, and the Foundation currently administers four Disaster Recovery accounts: Hurricanes Stan and Wilma (Guatemala and Mexico), Hurricane Wilma (United States), the Earthquake in India and Pakistan, and Solidarity in South Asia. Total contributions to the accounts were \$6.4 million.

District Simplified Grants – Support the service activities of districts locally and abroad.

Matching Grants – Provide matching funds for the international service projects of Rotary clubs and districts.

Educational Programs

Ambassadorial Scholarships – The Foundation sponsors one of the largest international scholarship programs in the world. Scholars study in a different country, where they serve as unofficial ambassadors of goodwill. Since 1947, more than 47,000 scholars from 110 countries have received scholarships of more than \$476 million through The Rotary Foundation.

Group Study Exchange (GSE) – Annual awards are made to paired Rotary districts to cover travel expenses for a team of non-Rotarians from a variety of professions. Rotarian hosts organize a four- to six-week itinerary of vocational, educational, and cultural points of interest. Since 1965, more than 57,000 individuals (almost 12,000 teams) from 100 countries have participated at a cost of more than \$92 million.

Rotary Peace Fellowships – Each year, up to 100 fellows are sponsored to study at one of the six Rotary Peace Centers for a master's-level degree or professional development certificate.

Do Not Stand At My Grave

Do not stand at my grave and weep,
I am not there, I do not sleep.
I am a thousand winds that blow,
I am the diamond glint on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you wake in the morning hush;
I am the swift uplifting rush
Of quiet birds in circling flight.
I am the soft starlight at night.
Do not stand at my grave and cry.
I am not there, I did not die.

Paul Rumler: Q.C. Chamber
And Passenger Rail Service

Sixty five attended two weeks ago, on Friday, November 18, to hear Paul Rumler's information concerning the uphill battle to obtain funding for passenger rail service to return to the Quad Cities, hopefully by 2014. Some sort of passenger train connected the Quad Cities to Chicago from 1854 to 1978. Paul has 10,000 personal area supporters and 150 business and city organizations behind the concept.

The Quad City corridor connects 2.2 million people to Chicago. Amtrak has had record number of passengers since 2007. An existing building near the I wireless center will be remodeled for a train station. It is close to the Loop (bus) and other transportation venues near the river.

The plan for 2014 is for two round trips between Moline and Chicago per day. The estimated price per ticket will (hopefully) be around \$50.00. A diner car will be in the back of the train, with the capacity of 230 riders per train.

Visitors on Friday were North Scott students and counselor, Tracy Denahy, Katie Swoboda and Cody Birely. Other guests were Christine Garrow, guest of Paul Seelau and Gene Meyer, guest of Rich Golinghorst. Both have

been proposed for membership. Also present were Abbie Timmerman, guest of Mike Thavenet and Dennis Kirby, guest of Bill Tubbs.

Bob Bainter presented a "Foundation Moment", explaining briefly how your Rotary Foundation dollars are spent. Charlie Jones asked for volunteers for December 3 for the Salvation Army Kettle Bell ringing and Jody asked everyone to sign up for the Holiday party on December 28. See details inside newsletter.

Linda Frederiksen gave \$20 to the education fund in honor of the EMS winning the Iowa Service of the Year award. They also won this award in 1996 and became the only organization to win it twice. Cody Allen was the sergeant of arms and had a "Pick 'Em" contest for the weekend football games. He collected \$90, so the winner will get \$45 this Friday. Let's see who had the most correct.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
