Forty six Rotarians and seventy guests gathered at the Putnam Museum on Wednesday, December 12, for dinner served by the Culinary Kids from Family Resources. Most people also attended the Polar Express Movie, shown in the theater after dinner.

Steve Powell gave the invocation and President John Maxwell thanked everyone for coming. Our server, Ann Hanson, from the Steeplegate was presented with a card and donations received from members in attendance.

The 4 Way Test Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

North Scott Rotary Service Above Self

This is a forwarded message for Christmas from Sikanda, which is the NGO our four clubs worked with last year (in partnership with the Rotary Club of Gualegeta, Oaxaca) on a Rotary Foundation Matching Grant for the "Gardens For Life" project for the garbage pickers in Oaxaca, Mexico. Jim Petersen and Bill Tubbs were at the Oaxaca landfill in 2011 and saw the miserable conditions the people were forced to live in. The houses they show here are mansions by comparison.

Christmas is a time of solidarity...

Last year, with your support, we built two houses for the families who live in Oaxaca's landfill, earning every day less than \$2.5usd. This season, we can show the world that we change the life of somebody again!

Eco-Houses of hope

Between 2009 and 2012, SiKanda has built 7 houses using over 5,000 recycled plastic bottles and 5,000 recycled milk and juice packages (tetrapak).

Each Eco-house is built in only 6 days with the families who live in the dump, our staff and different volunteers from Mexico and abroad.

Your help is very important to improve the quality of life of those who work on our trash and waste every day.
