FILLMORE SCHOOL – ROTARY READS – IN FULL SWING

Christine Garrow has been working hard to get the reading program going at Fillmore Elementary School in northwest Davenport. The difficulty has been that every member that wishes to participate has to complete a “background” check by the Davenport Schools. This takes 2-3 weeks, after the paperwork is completed. Then Christine can get you on the schedule. She is still taking volunteers and forms are available at the meetings.

Glen Keppy, along with Christine has been reading on a regular (weekly) basis, since late November. Other members that joined in December were: Jan Trimble, Margo McInnis and Charlie Jones. Ones that started in January are Paul Seelau, Eric Langan and Becky Bray. Several more will begin in February, including Jody Johnston-Mohr.

SO support John’s project of “Adopt a School” and help with this worthwhile adventure! Kim Wilkins will need some help with the spring yard work and tree/flower planting if that is more to your liking. This project is supported in part by a D6000 Simplified Grant.

THIS FRIDAY AT THE STEEPLEGATE

“Andy Piro is an Assistant to the Director of Athletics at the University of Iowa. He is 53 years old, an Iowa City native and a 1978 City High School graduate. He was a four sport letter winner at City High and was a quarterback at Drake University in Des Moines in 1978-79. Piro graduated from the University of Iowa in 1983 with a Journalism degree.

From 1983-85 he was an Assistant Director of UI Recreational Services and from 1985-89 was an Assistant Director at the UI Alumni Association. In 1989 he started a 20 year career in athletic development at the UI Foundation. Piro helped with annual, capital and endowment fund raising for the Hawkeyes including the Hawkeye Visions Endowed Scholarship program, the renovation of Kinnick Stadium, and the renovation/expansion of Carver-Hawkeye Arena. Event responsibilities over the years included the I-Club Spring Banquets, Hawkeye Huddles and the Named Scholarship Dinner.

Currently, he helps UI Director of Athletics Gary Barta with Special Projects including fundraising for a recently completed Indoor Practice Facility and the upcoming construction of a football operations center featuring a strength & conditioning area, locker rooms, meeting rooms, medical treatment area, coaches offices, equipment room and video studio.”

Thanks for the opportunity to speak to your group. Go Rotary!

The 4 Way Test Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
