North Scott Rotary Serves

**Over 25 members have stepped forward
They will achieve their next level of Paul Harris awards at
our Foundation program May 31, 2013.**

Supporting the Paul Harris foundation is how all Rotarians push forward the work of Rotary in the world, and at home. After three years, 50% of our givings are returned to the District and the Clubs in Grants to support local work. The other 50% go into the international fund to support Grants throughout the world. 100% of what we give is returned to fulfill the work of Rotary. This is why we are the top humanitarian fund in the world. The only funds used are the interest on these funds for this 3 year period of time.

It is time to be PROUD

THIS FRIDAY AT THE STEEPLEGATE

**Miss Iowa 2012
Mariah Carey**

Name: Mariah Cary
Education: Mount Mercy University
Career ambition: is to earn a bachelor's degree in public relations
Platform: Tourette Syndrome: The Involuntary Companion Syndrome
Talent: Tap
Age: 21
Hometown: Burlington, IA

When Mariah Cary was crowned Miss Muscatine in 2012, it was the beginning of a reign that would put her only a few steps behind Miss America on the runway this year.

Cary, 21, who was crowned Miss Iowa 2012 on June 9, in Davenport, was fourth runner-up in the Miss America pageant at Planet Hollywood in Las Vegas Saturday night, after performing for a world-wide audience.

Sunday morning, she was still catching her breath.

“It’s been a whirlwind,” she said. “I was very proud to be able to represent Muscatine and Iowa.”

Nearly 100 of the Burlington native’s family, friends and supporters, including her mother and step-father, Suzanne Cary-Lunsford and Tobias Lunsford, and her father, Leon Wilson, all of Burlington, came to Vegas.

By DG Terry Geiger/Decatur County

Peggy and I want to extend an invitation to all Rotarians to attend our wonderful District Conference April 11-13. We have a great lineup of events and presenters for you to enjoy and also to learn about the activities in District 6000 and Rotary around the world. Our venue is the beautiful Honey Creek Resort which has a myriad of amenities for your enjoyment. Tops on the list are the indoor water park, so we are encouraging you to bring your families for them to enjoy. There is a beautiful 18-hole golf course on which we will be having a golf outing on Thursday for the golfers. It is a wonderful setting for a resort, so come to southern Iowa! Some of the stars of the show will be Past Rotary International President Ray Klingensmith, Dr. Jim Blessman who will be talking about his work in South Africa, and our various youth groups will all be featured on Friday as "Youth Day." These will include the inbound and outbound Youth Exchange students, and the Interactors who will be celebrating 50 years in Rotary. Entertainment will feature the Folkloriko Dancers from Mexico and many other activities such as a silent and live auction, music, and most importantly an opportunity for fellowship with other Rotarians. Finally, we have our shoe project that we have been promoting as we traveled the district visiting all 64 clubs. We are asking all clubs to bring to the conference as many pairs of new shoes as they have members in their club. The shoes will be gathered around the fireplace to then be shipped to South Africa in support of the Blessman Ministries efforts. We will have a roll call of shoes where clubs will answer their call with the number of pairs of shoes they have brought for the effort. So please come and join us for great fun and fellowship.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

LAST WEEK

LAST WEEK – March 22, 2013 – Steffan Nass - FBI

Fifty attended on Friday, including our Assistant District Governor Doug Peterson from the Iowa Quad Cities Club. Other guests were Marilyn Puck, guest of Bill Puck, Ella Coussens, guest of Jerry Coussens and Joan Richards, guest of John Maxwell.

Steffan Nass with the FBI was the speaker and said that the threats on the world are very different over the years. His specialty is weapons of mass destruction. He is based out of Springfield, IL but lives in Scott County. Steffan told about a magazine called "Inspire" that has tips and recipes for homemade tools of destruction.

Cody Allen was the sergeant and collected \$54 in fines with his basketball trivia. Dougal Nelson thanked the club for the donation in Habitat for Humanity. Patrick gave us the stats on the Polar Plunge he participated in 2 weeks ago.
