The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

North Scott Rotarians and Scott County Librarians Christine Garrow and Paul Seelau, presented four boxes of books, recently removed from circulation, from the Library. These books are available to students to take home. Many of these students have never had a book of their own.

Why am I a member of the Rotary Club of North Scott?

There are as many answers to that question as we have members. More importantly, what is Rotary, and how does it work. We all know that our club is involved in many activities in our towns to help as many groups as we are possible to do. That is here. We also know that Rotary does great work throughout the world.

Great! How does that affect me, or involve me? The answer is simple. All of this work, in our communities and the world at large, happen because of you. How you ask? I haven't done anything. Of course you have. You may not be able to travel around the world and do a Polio immunization day. **With your help others can.** Others may have the time and means to volunteer, in my stead, to do these things, but how is it possible for them to be able to do this work?

We have formed an organization called the Foundation. The Paul Harris Foundation. We all support this with our quarterly gift of \$25. \$100 per year. Or as you have heard it called, Every Rotarian Every Year. There are 1.2 million Rotary members in this world. This money adds up. Because of our members, and their volunteering time and talents, we are in the enviable position of using all, all of this money for work in the world, and yes, our towns, homes and neighbors. These projects include things like water wells, so that a child does not have to drink from a polluted stream, schools, orphanages, cleft palate surgeries, and food sites for the street orphans, medical supplies and hard equipment for sites throughout the world, wheel chairs, and shoes. Yes shoes, to protect from parasite and disease infection, and foot protection. And of course there is Polio Plus. Our great effort to eradicate Polio from the world.

But how does your gift of \$25 help us in our clubs work. Listen. **One half of the money we give is returned** to our District 6000 to use on our own projects. You have seen this in many ways. We applied for, and received a grant to adopt Fillmore School this year. Almost \$5000. We have given coats to the children that need them. We work at the Fall Wapsi project of taking children, otherwise unable to go to the Pumpkin Patch. We helped build the new Handicapped Development center. The list goes on and on.

All because your gift of \$25 per quarter, less than 30 cents per day, all of this happens.

You make it happen. Keep up the good work.

LAST Meeting – May 17, 2013 – Secretary of State, Matt Schultz

Fifty five North Scott Rotarians and two visiting Rotarians attended at Thunder Bay Grille on May 17. Visitors were Mike Lizak, from Bettendorf Rotary and Jamie Dailey, from Moline Rotary Club. No meeting was held on May 24.

Speaker, Matt Schultz, Secretary of the State of Iowa, gave his background in politics and highlighted the items that he has accomplished for Iowa. Matt and his family, which includes five children, live in Dallas County. Matt is a licensed Attorney of Law, and was on the city council of Council Bluffs, IA for five years. That sparked his interest in State government. Matt is the youngest Secretary of State that Iowa has ever had and he is enjoying his work.

Eric Langan was the sergeant in the absence of Mike Thavenet. He collected \$20 in fines. Eric is concerned that Jeff Helms is spending as much time on TV, advertising cars, as Eric is, advertising flooring.

Is it the truth, Is it Fair?

Governor Terry is going to call the District Governor of the Oklahoma City area early next week and ask for help in identifying Rotary Clubs in that area that are engaged in providing relief and rebuilding efforts. Our District leadership team will then direct whatever funds are raised by District 6000 to those Clubs that are on the front lines of helping the people of Moore and surrounding areas recover from this horrible disaster.

Thank you all for your prayers and concern for the people of Oklahoma. We saw first-hand how many Rotarians from around the country helped the people of Parkersburg, Iowa not too many years ago. Now we have an opportunity to extend a helping hand through Rotary where "Service Above Self" really means just that.

Thanks to all who can help,
Jim Riordan, Chair
The Disaster Relief Team of District 6000
