North Scott Rotary's Newest member Terrye Isbell Kishiue

Terrye Isbell-Kishiue joined North Scott Rotary on Friday, July 13. Her sponsor is Jody Johnston-Mohr. Terrye is currently a Realtor with Ruhl and Ruhl. She has two grown children and enjoys her grandchildren very much. She has served on various committees with Genesis and therefore became friends with Jody. Jody says that Terrye will be an asset to the club. She has already volunteered at the Moonlight Chase and will serve on the Rotary Golf committee and social committee. Please take time to welcome Terrye.

THIS FRIDAY AT THE STEEPLGATE

Dougal Nelson Habitat for Humanities North Scott Rotary Member

What will *you* build?

Dougal Nelson, and his wife Pam of 31 years, are both lifelong residents of the Quad Cities. After graduating from Western Illinois University, Dougal went on to become Vice President of Sales at Isabel Bloom for many years. Driven by memories of his childhood years, his passion for the community, and wanting to give back, Dougal decided in late 2011 to leave Isabel Bloom and pursue a career in helping those less fortunate. Dougal had previously volunteered at the Red Cross, Junior Achievement and for Habitat for Humanity. Having witnessed what a community can do for those in need, it seemed like a natural fit for him to be closer to the missions he so believed in. In November 2011, Dougal accepted the position as Director of Development with Habitat for Humanity Quad Cities. His goals are widespread; however, eliminating generational poverty is most important to Dougal.

Habitat for Humanity is a Christian based organization dedicated to eliminating poverty housing. Serving low income, working families who earn 30% to 60% of the median income average, Habitat has helped 75 families realize the dream of home ownership since 1993 in the QC's. Families are selected into the program based on need, willingness to partner, and the ability to pay a mortgage. Owning a home gives families a sense of dignity and pride, and provides safety and security. Did you know that children of home owners...

have a 25% greater chance of graduating from high school.

are twice as likely to go on to higher education.

are 60% less likely to give birth as an unmarried teen.

are 50% less likely to be idle or dependent on welfare.

Habitat for Humanity is better communities, neighbors helping neighbors, new lights shining in windows once darkened by blight. It's a street reclaimed from abandonment or floodwaters, a block rebuilt after a tornado or an economic tremor. It's a house built in joy and dedicated with love. It's happening in our community and it's waiting for YOU!

Last Week – Davenport Youth Corps – July 13, 2012

Dana and Devonta, students with the Davenport Youth Corps, gave an informative program on the organization which helps high school age disadvantaged youth, learn to be successful and prepare for college. Their sponsor, Riley Vaughn was also a guest of the club. Dana and Devonta both struggled with the first two years of high school, but have both recently graduated. When a student enters the program, they are required to do 300 hours of community service and attend numerous training sessions. They pick an area of interest and the adult volunteers; help place them into a suitable “job type” situation. These 2 students are both interested in communications and prepared the video and power point used at the club meeting.

Sixty one attended on Friday, including Bettendorf Rotarian, Todd Ashby and Joan Richards, guest of John Maxwell. Paul Holzworth and his wife, Marguerite, on the piano, led the club in song. John donated a case of peaches to continue raising money for polio. \$54 was received for the peaches and \$20 for the July Birthday cake. Jim Smith was the sergeant and collected \$67 in fine money. He had \$1 fines for just about everyone in the club. \$40 went to the education fund in honor of Brad Burt’s new daughter, Eden Olivia, and for Jim Koehler’s grandson, who just completed his second year of medical school.

**Mikel Ursua Alonso
Exchange Student
from Vigo Spain
2012**

Mikel visited us one last time before he returned to Spain. He has just finished a 8000 mile 30 day trip around the US ending in Washington DC, New York City, Chicago and home. He profusely thanked the club and his Host Parents Scott & Dixie Kurtz, and vowed to come back to visit. Good Luck Mikel in all of your future journeys, and your life.

Mikel insisted the best part of his trip was a ride (driving) a combine with John Maxwell. In case you did not recognize Mikel, he received a BUZZ during his trip.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
