THIS FRIDAY AT THE STEEPLEGATE

Nat Gaston, our exchange student to Ecuador 2 years ago, will tell of his experiences then and since. In the fall I will be beginning my second year at the University of Iowa studying Computer Engineering. This summer I am working as an Intern at Victory Enterprises in Davenport developing mobile applications for businesses. I plan to study abroad for a semester in Germany at some point during university. I am involved in Rotex and help to train outbound students. In my free time this summer I have been playing basketball, long-boarding, golfing or disc golfing.

President Elect Steve Suiter Rotary Club of North Scott With Rotary International President Elect Ron Burton

Dear fellow Rotarians,

This is an incredibly exciting time to be a Rotarian. This Rotary year can be one of the greatest years we have yet experienced in Rotary – but it is up to each one of us. We are now writing the last chapter in our fight against polio. While it has been a long, hard journey, we have learned many valuable lessons. We have learned that as a group we can move mountains, we can change people's lives for the better, and we can honestly make a difference in our world. Perhaps the greatest lesson has been that the more we challenge ourselves, the more we can achieve.

We are also embarking on a new chapter in the storied history of our Rotary Foundation. We have the rare privilege of launching an entirely new grant structure we've come to know as Future Vision. It gives us the opportunity to challenge ourselves to do the absolute most we can, with all of our resources. Just think how much more we can do with a stronger Foundation, with stronger clubs filled with more Rotarians who are fully engaged in Rotary service.

It's time for us to recognize that the real challenge we face isn't just bringing new members into Rotary. It's turning all members into true Rotarians. It's helping members get engaged in Rotary – helping them realize the potential they have, and how their Rotary service can change lives. We need to make sure that every member is active and contributing, and making a real difference – because when you're doing meaningful work in Rotary, Rotary is meaningful to you.

When we realize what we can achieve in Rotary – when we really engage Rotary – that's when lives change. We change the lives of the people who need us. That is inevitable. And along the way, our lives are changed as well. That is also inevitable. That's what our theme is all about in 2013-14: *Engage Rotary, Change Lives*.

It's time to open our eyes to the potential each of us has through Rotary. Rotary lets us reach higher, do more, and be a part of something larger than ourselves. No matter how much we give to Rotary, we get more in return. And that, too, is inevitable.

In 2013-14, let's turn all of our potential into reality. It's up to us. We can do it by engaging in Rotary service, by getting involved, by staying inspired, and by remembering every day the gift we have in Rotary. Together, we will *Engage Rotary, Change Lives*

The 4 Way Test Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
