### THIS FRIDAY AT THE STEEPLEGATE

#### Cathy O'Keeffe

Cathy O'Keeffe is a former teacher and the founder of Raising Hope International, which has provided play equipment and school supplies to over 30 orphanages in 10 foreign countries over the past seven years.

Cathy first became passionate about fighting human trafficking five years ago while living in China, where sex trafficking was often out in the open. Having a Chinese daughter, this horrific crime hit close to home, as many orphaned girls in China end up on the streets once reaching adulthood, with little education and no family to protect them.

Upon returning to the United States in 2011, Cathy joined Braking Traffik to eradicate this form of modern day slavery from the Quad Cities community and to give a voice to the hundreds of thousands of American women and children who fall victim in our country each year.
