THIS FRIDAY AT THE STEEPLEGATE

Alan Tenney
Home Equity Retirement Specialist,
Security One Lending

For the past 9 years, Alan has been involved in the Home Equity Conversion Mortgage industry with three of the largest organizations involved with this HUD product, first with Wells Fargo Home Mortgage, MetLife and now Security One Lending. While at Wells Fargo, he was in the top 10% of all originators for the Midwest region for all six years and with Security One Lending he has achieved Presidents Club honors for the past 2 years. Prior to becoming a HECM Specialist, Alan spent 5 years in the non-profit world as a credit/housing/HECM counselor with Consumer Credit Counseling Service.

For the past 15 years, his goals have been to help our active adults better themselves financially in retirement, whether that was just giving them a directional path as a counselor or actually showing them how using home equity can be utilized as a financial tool in ones retirement plan. The older adults I converse with are all interesting individuals who have led fascinating lives. I enjoy listening to their life experiences and stories of how they arrived at where they are today.

Alan graduated from the University of Northern Iowa with a BA in Liberal Studies. I have had a handful of management positions through my career which started in Denver, Colorado, to Fargo, North Dakota, La Crosse & Milwaukee, Wisconsin, and back to where I reside today in Aplington, IA, which is my home town. I am married and have 3 children all of which have graduated from college. In my spare time I enjoy golfing, boating, fishing, biking, and spending time with my family.

I am a current member of NAIFA, FPA, board president of the Aplington Golf Course, past board member of the A-P Booster Club, and a trustee at the Evangelical Presbyterian Church in Aplington.

The 4 Way Test Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
