Why am I a member of the Rotary Club of North Scott and The Paul Harris Foundation?

There are as many answers to that question as we have members. More importantly, what is Rotary, and how does it work. We all know that our club is involved in many activities in our towns to help as many groups as we are possible to do. That is here. We also know that Rotary does great work throughout the world.

Great! How does that affect me, or involve me? The answer is simple. All of this work, in our communities and the world at large, happen because of you. How you ask? I haven't done anything. Of course you have. You may not be able to travel around the world and do a Polio immunization day. **With your help others can.** Others may have the time and means to volunteer, in my stead, to do these things, but how is it possible for them to be able to do this work?

We have formed an organization called the Foundation. The **Paul Harris Foundation.** We all support this with our quarterly gift of \$25. \$100 per year. Or as you have heard it called, Every Rotarian Every Year. There are 1.2 million Rotary members in this world. This money adds up. Because of our members, and their volunteering time and talents, we are in the enviable position of using all, all of this money for work in the world, and yes, our towns, homes and neighbors. These projects include things like water wells, so that a child does not have to drink from a polluted stream, schools, orphanages, cleft palate surgeries, and food sites for the street orphans, medical supplies and hard equipment for sites throughout the world, wheel chairs, and shoes. Yes shoes, to protect from parasite and disease infection, and foot protection. And of course there is Polio Plus. Our great effort to eradicate Polio from the world.

But how does your gift of \$25 help us in our clubs work. Listen. **One half of the money we give is returned** to our District 6000 to use on our own projects. You have seen this in many ways. We applied for, and received a grant to adopt Fillmore School this year. Almost \$5000. We have given coats to the children that need them. We work at the Fall Wapsi project of taking children, otherwise unable to go to the Pumpkin Patch. We helped build the new Handicapped Development center. The list goes on and on.

All because your gift of \$25 per quarter, less than 30 cents per day, all of this happens. You make it happen. Keep up the good work.

Merle Anderson serves at FAMSCO in Iowa City during their organization clean up day. Also present and helping were Marcia Woods, and Dr Anita Wubbena.

FAMSCO. Fire and Medical Supply Company. Rotary serves as the arm to collect used, unneeded supplies to Ambulances and Fire Trucks. As these are found, items are collected and warehoused in their Iowa City site. Vehicles are made ready. Items are then sent to where they are needed in Central America. Help is always needed, or if you know of a donation source for these items contact Merle Anderson or Dennis Peterson. NS Rotary@aol.com or 563-285-8584
