### Rotary Night at the Ball park to Support Polio Plus, Polio Eradication World Wide

90 plus North Scott Rotary Members and guests enjoyed a beautiful night at Modern Woodmen Park, home to the Quad City River Bandits.

We were joined by three Rotary Clubs from Illinois. This is our annual event to help fund Polio Plus. This is Rotary International's world wide drive to eradicate Polio. Only three countries are still endemic, Pakistan, Afghanistan, and Nigeria. But, polio is only a plane ride away from spreading worldwide, as indicated by a recent group of cases in Somalia.

Help us END POLIO WORLD WIDE

First Pitches by D6420 PDG Jim Prather of River Cities Rotary, Rock Island Rotary president Anne McGlynn, DG Jacque Andrew, and Graham Woods.

Baseball Committee Chair Marcia Brandt, President Steve Suiter, and District Governor Jacque Andrew.

**THIS FRIDAY AT THE STEEPLGATE**  
**We Welcome Our District Governor Jacque & Jim Anderson**  
**As she presents her vision for this year in our Rotary Journey**  
**Board Members & Committee Chairs please meet at 10:30**

## **District Governor Jacque Andrew**

The Rotary journey for Jacque Andrew began in 1990 when she was asked to become a member of the Rotary Club of Jefferson. During her year as president in 1999-2000, she led her club and other Jefferson organization volunteers in sponsoring the relocation to the community of 17 refugees from Kosovo, a most rewarding collaborative experience. The club was honored by the Governor of Iowa for its leadership and service. Launched in November 1999, the club's annual auction fundraiser has awarded over \$300,000 to local and Rotary projects to date.

In the District, Jacque has served: four years as an Assistant Governor; three years as District Secretary, and work on many district committees since first appointed in 1994. International experience has included attendance at Chicago, Salt Lake City and Lisbon RI Conventions. In 2013 she served on a Polio National Immunization trip to India and on the district's service team to Xicotepc, Mexico in 2012. Her family has also hosted/counseled Rotary youth exchange students and Iowa State international students.

Proud to be an Iowa native, Jacque earned her bachelor's degree from Iowa State University and master's degree from Drake University. Since 1994, Jacque, her sister and nieces, have operated the Webster county farm where she grew up.

Throughout her career in marketing, communications and human resources spanning three decades, Jacque has worked principally in the fields of healthcare and education. For over 20 years she was a director for the Greene County Medical Center in Jefferson, IA, retiring in 2011. She was president of healthcare professional groups and chair of the Leadership Iowa program's board of governors, receiving the distinguished leadership award from the National Association for Community Leadership.

Active in her community and statewide, her service has included: organizer and founding president of the Greene County Community Foundation; boards of the Iowa 4-H Foundation; Arrowhead Area Education Agency; Iowa Natural Heritage Foundation; and president of numerous local civic and church groups.

Jim is also a member of the Rotary Club of Jefferson and a graduate of The University of Iowa college of business. Actively involved in corn and soybean production as president/general manager of Andrew Farms, Inc., he was honored as an Iowa Master Farmer and American Soybean Association Conservationist of the Year. He has served on the boards and in leadership roles of Iowa and National Corn Growers, US Grains Council and Iowa and American Soybean Association and attended World Trade Organization (WTO) and European Union meetings worldwide as their representative.

They are committed to the work of The Rotary Foundation as Paul Harris Fellows, Rotary Foundation Benefactors and members of the Bequest Society, the Paul Harris Society and as Major Donors.

Jacque and Jim, married in 1978, find great joy in their growing family including 4 grandchildren. All three daughters, Jane, Julia and Jennifer (Xicotepc 2003), are Paul Harris Fellows. Jacque enjoys gardening (an ISU MG), reading, technology and ISU athletics and Jim is an avid reader of history, business and politics and both love travel. They are excited to ENGAGE ROTARY CHANGE LIVES!
