THIS FRIDAY AT THE STEEPLEGATE

Michelle and Jim Russell are founders of the 501c3 LIVE UNCOMMON which they launched from the ground in June of 2011. Since that time, the non-profit organization has served the community in a wide variety of measurable ways. Among them, award of \$15,000 in scholarships and approaching the \$40,000 mark in funds raised and donated to local charities. Michelle will elaborate on the many other ways the LIVE UNCOMMON Movement has and continued to affect change by this mentality – “It only takes One to change the World, and we are all the One” during her visit with Rotary on October 18.

Michelle is also president/CEO of Solis Russell, the professional services arm and partner firm of Russell Construction of which Jim is president/CEO. The couple has individually and corporately donated more than \$1 million to charity over the course of the past 30 years.

LAST WEEK

LAST MEETING – October 11, 2013 – Happy 40th Birthday

About 70 members and guests attended the birthday party of North Scott Rotary last Friday at Strieter Motor Co. showroom. Special guests were DG Jacque Andrew, ADG Doug Peterson, Cathie Strieter, Mindy Helms and Linda Tubbs. The meal was catered by Debord Catering, and we had a cake and balloon bouquets to celebrate the occasion. A BIG thanks to Jeff Helms and his employees for hosting us.

John Maxwell sold this week's treats for a whopping \$470. Patrick had another pair of Iowa Football tickets, donated by Porter Insurance, that Paul Seelau is currently holding the high bid of \$150. They will be offered again on October 18.

Bill Tubbs led the game "North Scott Rotary Wheel of Fortune" with Pat Sajak (aka Cody Allen) and Vanna White (aka Jacque Andrew), helping him. Bill's trivia questions were asked to each table, one at a time. Some of the questions will be published after the auction, as space allows.

The 4 Way Test Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
