THIS FRIDAY AT THE STEEPLEGATE

Dougal Nelson

Past North Scott Rotary Member

Dougal Nelson is a lifelong resident of the Quad Cities. He and his wife Pam currently reside in Moline. Dougal is a graduate of Western Illinois University and is the current Director of Development with Habitat for Humanity Quad Cities. He is a current member of the

Moline Rotary, and volunteers for Junior Achievement, as well as being a "lunch buddy" at Monroe school in Davenport. His goals are widespread; however, alleviating poverty is most important to Dougal. **Habitat families are selected to participate in the program based on three criteria - the need for housing, the ability to pay a mortgage and a willingness to partner with the organization. Families buy their home with a down payment on a no-interest mortgage that Habitat holds. The program offers a hand up – not a hand-out.**

Polio Eradication Only 10 cases this year

Please share this **Foundation Minute** with your club members.
Thank you,
Terry Geiger, District Rotary Foundation Chair

Foundation Minute for Week of March 28 (and Polio Headlines)

Compared to twenty cases of Polio last year at this time, only ten cases have been reported in the world to date: one in Afghanistan, six in Pakistan and three in Lao People's Democratic Republic. Rotary is on its way to eradicating this horrific disease.

It is important that Rotarians around the world continue their financial support! Why? Because:

- Polio anywhere is a risk to children everywhere. The Global Polio Eradication Initiative is committed to fighting the disease until every child is safe.
- This is our chance to make history by wiping out the second human disease ever. Globally, we are "this close" to ending polio.
- If we don't end polio now, experts say the disease could rebound to ten million cases in the next 40 years.
- **It's Achievable:** There is no cure for polio, but the polio vaccine successfully prevents cases. Success in polio eradication sets the stage for the next big global health initiative.
- **It's a Good Investment:** The world has invested \$9 billion dollars toward polio eradication and an independent study published in the medical journal *Vaccine* estimates the net economic benefits at US\$40 to 50 billion over the next 20 years – a savings that can be put towards fighting other diseases.

And the infrastructure for polio immunization also strengthens the systems for other health interventions. Since the global initiative began more than 25 years, Rotary and its partners have reduced polio cases by more than 99 percent worldwide. It has raised more than US\$1 billion dollars and committed countless volunteer hours to fight the disease.

Thank you Rotarians for making this happen!!

LAST WEEK

LAST MEETING – March 25, 2016 – Lindsey Hornbaker; Child Abuse Council

Fifty eight attended on Friday, including guests Paul Rucker, guest of Scott Case, J.D. Engelhardt, guest of Jim Smith and Teri Thavenet, guest of Mike Thavenet. Our guest pianist was Aiden Connolly, son of Chris Connolly.

Lindsey Hornbaker with the Child Abuse Council was the speaker. Lindsey has also worked in the mental health field. She says that anyone that experiences childhood trauma is affected by it their whole life. If treatment is not provided, it never goes away. Kids need the ability to overcome the abuse, but often this does not happen until they are an adult, because they do not seek help until then.

Bill Tubbs presented President Glen Keppy with some memorial money from the Harlan Meier Family. Eric Langan filled in as sergeant for Kelly Meyer and collected \$42. Jan Touney announced the birth of a new granddaughter in Kentucky.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
