North Scott Rotary Serves

Past President Steve Suiter Presents the Past President gavel and pin to outgoing President Steve Fahrenkrog.

North Scott Rotary's new President Glen Keppy Makes his acceptance speech, and tells of his goals for the coming year.

All of this happened before he introduced Uncle Buster, and left some of us wondering at our wisdom of giving Glen all of this power.

Just Kidding Glen!! Dennis

THIS FRIDAY AT THE STEEPLGATE

Our own **Merle Anderson** will present our program this Friday.

" Having been born and raised on a farm and then, spending my career in agri-business, I have seen many changes in agriculture. My Grandfather farmed with horses and small equipment and planted open-pollinated seed and raised pure-bred livestock. My Father farmed with small tractors and small equipment, but planted hybrid seed and raised cross-bred livestock. Today, Farmers use large high-technology tractors and equipment and typically specialize in grain farming or livestock production. Most corn and soybeans are genetically modified or GMO. What are just a few examples of this new technology? Are organic foods better? Are GMO's bad? What does the future of agriculture look like? "

LAST WEEK

PERSONALS:

About 10 Rotarians had a great visit with Keith Mattke on Monday morning, June 29. Keith had stories about his childhood, work years, service years and had everyone laughing and enjoying our time with him. He has a strong commitment to Rotary and appreciates seeing his friends. Stop and visit when you can and take some Rotary friends with you – you won't be sorry! Keith is in Room 130 of the Crest Health Center at Ridgecrest Retirement Village.

John Pheiffer recently celebrated his 77th birthday (in late June) and has been having some health issues. He has been hospitalized a few times and could use some well wishes from his fellow Rotarians. If you would like to send a card, his home address is:

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
