THIS FRIDAY AT THE STEEPLEGATE

Dr. Jose Armendariz

Dr. Jose Armendariz was raised in Oklahoma and spent eight years in the U.S. Army. He completed his Medical Residency with the Genesis Family Medicine Residency Program here in Davenport. After residency, Dr. Armendariz completed a Sports Medicine Fellowship at Summa Healthcare in Akron, Ohio. He spent time working in Wisconsin before returning with his wife to the Quad Cities. With regards to Sports Medicine, he enjoys the challenge of combining science and medicine to help individuals and athletes return to the activities

they like.

“Many people don’t realize that about 90% of all sports injuries are non-surgical. As a sports medicine specialist, I can treat many conditions that don’t require surgery.”

Presentation Summary:

Many people don’t realize that about 90% of all sports injuries are non-surgical. As a sports medicine specialist, Dr. Armendariz can treat many conditions that don’t require surgery.

Whether you are a competitive athlete with an injury, an individual looking to begin biking or running, or an employee with nagging pain, there are solutions available to help you return to work or play faster and maintain the active lifestyle you desire.

LAST WEEK

LAST WEEK – June 9, 2017 – Katie Powers; Mississippi Bend Trykes

Katie Powers, a pediatric physical therapist with Genesis Hospitals, gave a very informational program about the Tryke program that she heard about in 2015 and began a chapter in the Quad Cities. Applicants from ages 3 to 20, with physical disabilities, apply on their website for a custom built tricycle. When the funding becomes available, volunteers assemble the units and present it to the child/patient in need. Three types are available: Foot Tryke, Hand Tryke and Hand & Foot Tryke. Forty one trykes have been distributed in the greater Quad City area. Each unit is fit specifically to the child receiving it.

Fifty five attended on Friday including Rotarian Duncan Cameron and Kim Danek, guest of Kelly Meyer. Sign-up sheets were available for the John Deere Classic, Installation dinner, Playground delivery and Moonlight Chase water stop volunteers. Please consider signing up on Friday to participate in these worthwhile activities. Jeff Ashcraft presided at the meeting, in the absence of President Helms. Patrick Olsen was the sergeant and collected \$28 in fines.

The 4 Way Test

Of the things we THINK SAY or DO

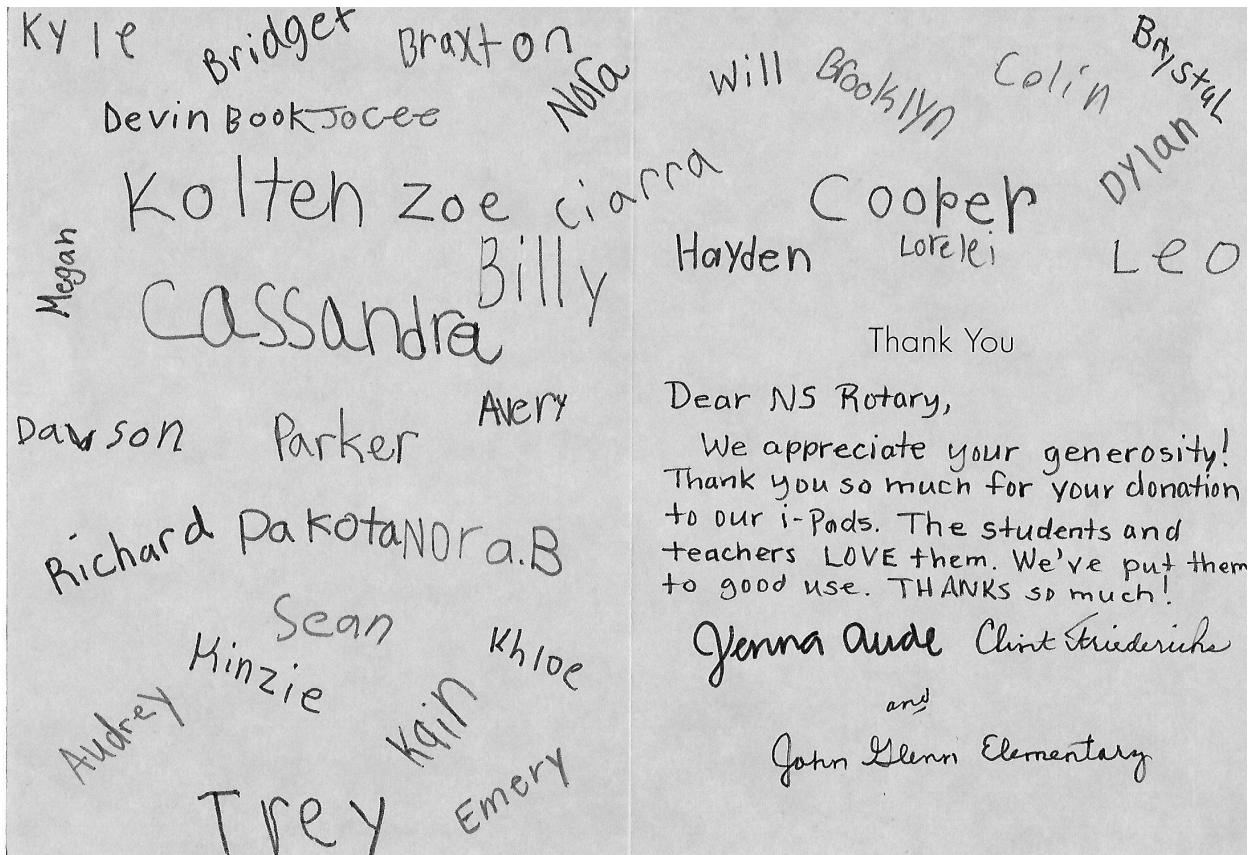

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Ipads provided by our Community Needs grants

IPads for Education John Glenn Elementary School, Second Grade Classes Donahue, Iowa

We will use these Ipads in a variety of ways, reading instruction, math practice, and navigating the use of technology in order to prepare our students for the future and incoming community endeavors. Our students will benefit from the use of these Ipads to engage in a whole group, small group, and individual practices. We hope to gain enthusiastic learners by providing apps that tailor the needs of our unique learners.

Dear North Scott Rotary,

Thank you so much for the very generous donation of \$1000 from your organization. We are so blessed to have such wonderful service organizations. Your generosity will go a long way in helping offset the expenses incurred in helping provide food for our area families in need.

In appreciation-
The North Scott Food Pantry

Dear North Scott Rotary,

Thank you so much for funding the Scott County Library System's grant request! We look forward to offering STEM programs to our patrons, and this would not be possible without your support.
