North Scott Rotary Serves

100% Paul Harris Club

North Scott Rotary has achieved the distinction of becoming a 100% Paul Harris Club

This distinction is earned by few clubs in our District 6000, or the entire Rotary World.

Presenting the Banner are PDG Chris Knapp and PDG Terry Geiger to our Past President Jeff Helms and President Dennis Peterson.

What this means is that every member of North Scott Rotary, at one time has achieved at least their first Paul Harris Fellow award of \$1000 donation. Either by themselves or with the generosity of a fellow club member.

THIS FRIDAY AT THE STEEPLEGATE

**North Scott Rotary Member

Experiences as a
Scott County Sheriff Reserve**

North Scott Rotary Receives Thank you for our support of History Day Participants at the University of Maryland

Dear friends and benefactors,

The students and teacher sponsors of the North Scott History Day Program so appreciate your unfailing support of our work. Your assistance in funding the students' room, board, and bus transportation to the University of Maryland National History Day Contest is a strong reinforcement for the students and all of us at North Scott of the service-mindedness this community provides for its youth.

The History Day Program is a highlight in our lives as we work with 7th through 12th grade students who participate in the program. Whether North Scott History Day students advance to Nationals or not, they learn new information about historical topics in which they are interested in and passionate about. In addition, the life skills the students practice and use to develop, produce and share their projects make their futures bright, and in turn enrich our community, state, and world.

The projects the North Scott students shared at Nationals this year were absolutely topnotch and they taught whole new groups of viewers their knowledge. The students and their work definitely made impressions on others. Besides sharing their projects with judges and audiences at Nationals, the students had the opportunity to visit Gettysburg, the monuments on the National Mall, the Smithsonian Museums, Mount Vernon, and other historic sites and museums. They experienced countless other adventures in Washington D. C., as well. It was an extraordinary week for all of us!

Thank you for your financial support and enthusiasm in helping to make the National History Day Program thrive at North Scott.

Sincerely,

Chris Green, Sue Claeys & Gabby Parks

World Bicycle Relief

District Governor Mike Ruby has chosen this Bicycle Program as his signature project for his year.

This bicycle will be at our club this week, along with information on the project.

Bicycles provide people with transportation for school, health care workers, farmers to deliver products to customers, teachers to reach rural areas, and for workers to reach their jobs.

These bicycles serve families much like cars and small trucks do in the USA. And weigh approx 51 lbs This bicycle is an engine for economic and cultural empowerment that can change the lives and economic family tree for an average of 5 people.

Cost, including delivery to their country is only \$147.

LAST WEEK

LAST Week – August 11, 2017 – David Woods: Scott County Veterans Office

David Woods with the Scott County Veterans Office works extremely hard to help veterans and their spouses with family issues, funeral arrangements and any other paperwork they may need help with. He himself spent seven months in Vietnam and totally understands PTST issues and other health issues that veterans may have.

David also helps with the Honor Flights. The program is very near and dear to him. There are two more flights this year, one in October and one on November 1. Most World War II veterans have been and a lot of Korean War vets have been. If any of them apply, they will get first rights to the flight, as well as terminally ill veterans. The bulk of the Vets going now are Vietnam Vets. There are always vacancies for chaperones for the Vets. The cost is now only \$400 for each person to go. If you have never been to the airport to welcome home an Honor Flight, you should go! They are very emotional. Most Vets have never received a proper thank you for serving.

Fifty five attended on Friday, including Christia Rivera, guest of Alex Dirck. Other special guests were PDG Chris Knapp and PDG Terry Geiger. Terry is the Chairman of D6000 Foundation. They were present to present the club a 100 per cent Paul Harris banner, for achieving the goal in May 2017, while Chris was governor. Bill Tubbs was the sergeant and collected \$43 in fines.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
