THIS FRIDAY AT THE STEEPLGATE

DEMENTIA THROUGH THE AGES

with Anita Zemba-Schadt

Most of us have known someone in our family or circle of friends who has suffered from dementia that affected memory, personality or reasoning. Friday's speaker, Anita Zemba-Schadt, will help us understand the stages of dementia and its associated diseases: Parkinsons, Alzheimers, Lewy Body, Huntington's and Frontotemporal.

Together with Heather DeVore, who is the director of Lighthouse at Silvis, Anita will dramatize and explain the behaviors that occur during the Beginning Stages, Middle Stages, End Stages and Final Stages of these terrible diseases.

Anita is the executive secretary of the Rotary Club of Davenport – a part-time position – and has a business, "Concierge Care," that guides family members and caregivers through the decisions that they must make and the emotions they will experience as they cope with effects of memory loss of their loved ones. The concern is not just for those who are afflicted, but for the well being of the family and caregivers themselves.

Join us this Friday for our last meeting before Labor Day and learn about this important

topic – one which one day may affect us all! – *Bill Tubbs*
**Merle Anderson with Rotary International President Elect
2018-19 Sam Owori**

I have attached a photo taken ten months ago, when I was in Uganda. This photo was taken by my friend, George Ntibarikure, while we were visiting Sam Owori in his Kampala office.

PDG Bill Tubbs informed me that Sam has been nominated to be President of Rotary International in 2018-19. Sam will be extremely busy over the next 4-5 years while traveling around the world. Sam will be the second Rotary International President from Africa in Rotary's 112-year history. Sam is an excellent choice and we wish him the very best.

LAST WEEK

LAST WEEK – August 19 – Patrick Olsen; Life Care Planning

Pat Olsen was the speaker on Friday and highlighted some important facts that families which include a special needs person, really need to be aware of. Pat and his father, Don Olsen are experts in helping families plan for long term help for a special needs family member. Just because the family may currently receive money to help care for the family member, doesn't mean that it will continue after the parent caregiver is gone. Transportation is a huge worry, along with proper housing and management of income, social security or Medicaid. The Olsen's can be contacted at Olsen Financial in Davenport, if anyone desires their advice or services.

Fifty seven attended on Friday. Jan Touney was the winner of the August 50/50 raffle drawing. She won \$106 and was extremely excited! Dr. Brad Burt was the sergeant of arms and collected \$38 in fines. Seth Porter purchased a Lancer coupon card, for \$25, donated by Tom Wilkerson.

Paul Holzworth was happy to announce that his granddaughter is able to resume her college studies on the East Coast after her tragic stroke in May. Rich Golinghorst said that Gene Meyer is now at Courtyard Estates in Walcott for rehab on his hip.

Guests on Friday were Robin Rollins, guest of Jim Koehler and Brian Crowley, guest of Rev. Rich Pokora. Past president, Glen Keppy, welcomed Josie Seymour into membership.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
