A great service project

It was a cold day in October but warm hearts were everywhere. The joy of seeing these kids enjoying things many had never experienced.

Although many children did not have adequate coats, the gloves and hats included in their package came in quite handy.

Walking Taco's were served and all of the kids enjoyed their S'Mores, and pumpkins.

North Scott Rotary

We thank you tremendously for your tidings in donations! History Day has changed our lives immensely and we could not get to Nationals without the help of all of you. Our project was on the Reverend Fred Shuttlesworth who helped pave the way in the Civil Rights Movement. We placed in the top 20 in the Nation with our exhibit board that portrayed the Reverend's triumphs and tribulations to help bring equality to our country in the late 50's and early 60's. There is still work to be done and the only way we can learn is by studying our great history of this nation. This has made our lives change for the better. We truly thank you for your help in our journey to share the great tellings of History.

Sincerely:

LAST WEEK

LAST WEEK - September 22, 2017 – Dr. Richard Whitaker: Vera French Mental Health Centers

Sixty five members and guests attended on Friday. A special Rotarian guest was Elizabeth Danckwerts from Capetown, South Africa. She was visiting Rotarian Doug Peterson, as a former host of a Friendship exchange. Her club has only 27 members and they support 2 Global Grant projects each year with their fundraising. She said NO one is allowed to be absent from their fundraisers.

Mark Pratt, new member of the North Scott School Board, was a guest of Bill Tubbs. Jeremy Kaiser asked for volunteers for the Harvest Party on October 11. Jeff Ashcraft gave the anticipated schedule for the surfacing of the playground this week. He also announced that the playground will be a National Demo Site for the Park and Play Corporation. Tricia Kane and the auction committee are accepting items for the auction, every Friday. Patrick said No one can be absent!

Dr. Whitaker and Jessica, his foundation chair, explained the Vera French mental health housing situation in the Quad Cities. They have 138 housing units to keep troubled individuals who need to be monitored. Mentally ill people are generally not dangerous. Several levels of care are found in different centers, throughout the area. The Scott County Health department closed down the Pine Knoll center which had 60 beds. The new ruling only allows 16 beds in one facility.

There are therapists in all the Davenport schools. About 500 children benefit from the Vera French services. Suicide in the 3rd largest cause of death in young teens. Dr. Whitaker would like to get a presence in the downtown Davenport and west end area.

The 4 Way Test Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
