### THIS FRIDAY AT THE STEEPLEGATE

In 2010, North Scott Rotarian, R. Scott Case, was elected President of the Iowa Realtors Foundation for a 3 year term. The Foundation annually donated between \$20,000-\$25,000. Scott changed the foundation name to REALTORS FOUNDATION OF IOWA (RFI). Scott was re-elected in 2014. Annual donations had increased to \$140,000-\$150,000, "Helping Iowan's in Need. The RFI five year focus has been on Iowa youth and community improvements. Growth has come with programs like Chris Norton, Children and Families of Iowa, The 1-80 Zone, and today's program, Project Jack.

The REALTOR® Foundation of Iowa helps people in need across the state. That tradition continues into 2017 with Project Jack. Originating in the Quad Cities area in memory of Jack Lindaman, the project gives 5th graders the opportunity to pay it forward in any way he or she chooses. The original project was carried out 2 years ago with each person in Jack's class at Alan Shepard Elementary School receiving \$100 to pay it forward. There were not any stipulations given or rules to follow on how to use the money. Projects ranged from donations to charitable organizations to passing out roses to strangers.

Jack Lindaman was born on the 4th of July. Jack was affectionately called a little firecracker. Jack and his family enjoyed fireworks and all the festivities around the

Fourth of July. He liked to make people happy and was always a positive light to those around him despite his health issues. Jack passed away in February 2010 from spinal muscular atrophy (SMA). According to [curesma.org](http://curesma.org), "SMA is a disease that robs people of physical strength by affecting the motor nerve cells in the spinal cord, taking away the ability to walk, eat, or breathe. It is the number one genetic cause of death for infants." Jack Lindaman was 6 years old when he passed away. With Project Jack, his memory and loving spirit will continue on through the good deeds of children. Realtor Foundation of Iowa has created a fund to help students across Iowa to participate in Project Jack.
