THIS FRIDAY AT THE STEEPLEGATE

Joe Stutting Nick Hansel Lancer Legacy

North Scott Community School District has a vision of being a school of choice to learn, work, and live. The Lancer Legacy is partnering with the school district to make this a reality. Over two years ago, a group of Lancer parents got together to discuss how they could help the district im-

prove the district's academic, athletic, and fine art facilities. Out of their efforts came the Lancer Legacy. Over the past two years, North Scott has seen major improvements in all of these areas and a number of projects still to come.

LAST WEEK

LAST WEEK – February 16, 2018 – Jim Gessel; Incoming president of ASABE

Chris Cournoyer introduced Jim, with CNH, Combine Headers Division. He was an appropriate program for Engineers Week. Globally the American Society of Agricultural and Biological Engineers have 7462 members. Eighty per cent of the members are in the United States. The Q.C. chapter has about 200 members. A large concern is finding solutions for food production, to do more with less, do it sustainably and do it safely. It will not be a problem to feed all the people in 2050, Jim said.

Fifty four attended on Friday, including Moline Rotarian Mark Carlson and John Hutchcroft. Chris gave \$20 for promoting the Stem Banquet on Thursday. The Cubs baseball raffle was won by Cara, an employee at First Central Bank. \$490 was raised for World Bicycle Relief, by Tom Messer. Jim Smith was the sergeant and raised \$47 in fines. New member, Matt Maiers, was welcomed into the club by Cody Allen, his sponsor and Jeff Helms, Past President.

Last week at the February 9 meeting, Patrick was the sergeant and raised \$59 in fines. \$20 was received for auto show tickets. This information was omitted in last week's newsletter.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
