North Scott Rotary Serves LAST FRIDAY

NORTH SCOTT ROTARY – APRIL 6, 2018

COMMUNITY GRANTS AWARDED

These Grants were awarded last Friday at our regular meeting. Attendees told us briefly how these grants would impact their work.

Family Resources, Inc. Domestic Violence Shelter: **\$3000** received by Jasmin Campbell. They will be using the grant to purchase a commercial size refrigerator/freezer. Due to the increase of clients in Scott County, they need a way to keep emergency food supplies on hand for the victims they serve.

Handicapped Development Center: **\$2500** received by Carol Foster and Linda Gill. They will be purchasing a power lifting device to aid in the safe transfers of clients/patients from one location to another. This greatly reduces the risk of injury for the staff and the person needing assistance.

Davenport Central High School Vocal Department: **\$2500** received by Jon Flynn, Principal, representing Michael Reese, Director of Choral Activities. This money will be used to award scholarships to students that would otherwise not be financially able to participate in the great music and arts programs that the school offers.

Habitat for Humanity Quad Cities: **\$2000** received by Elesha Gayman. This money will be used to help purchase the lumber for the next house build in Davenport. Total material costs for one home is around \$8000. Simple and affordable homes are built for low income families that are willing to donate 250 hours of sweat equity and complete home ownership classes.

Camp Shalom, Inc.: **\$2000** received by Tom Bley and Michael Byrne. A first time Drama Camp for Autistic Youth is being planned for this summer. The campers will be on site for 4 days and 3 nights to learn performance techniques with the week ending in an on stage performance. All actors and production people will be individuals on the autism spectrum.

Davenport North High School Marching Band: **\$1300** received by Kaci Stirling, Directors of Bands. This money will be used to purchase a new baritone for the marching band. Kaci is especially excited to have a senior band member experience a new instrument before he graduates. Their current

baritones are old and falling apart. Many are beyond repair.

North Scott High School Post Prom: **\$1000** received by Cheryl Simmons, Post Prom Chair. This money will help fund the games, entertainment, food and prizes that the parents work so hard to provide for a safe after prom party. Many parents volunteer to plan this function which is attended by nearly 400 students.

Princeton, Iowa Park Board: **\$877** received by park board members Dawn McMeen and Myrna Dannatt. Being new members on the park board, they have decided to improve the equipment available in the town parks. They decided on a New Generation Swing which would allow a parent to swing with a young or handicapped child.

Scott County Library System: **\$600** received by Rotarian Tricia Kane. The money will be used in conjunction with the Figge Art Museum, as it brings Summer Enrichment Opportunities to the Youth programs at each of the library branches. Similar classes have been offered in the past at the Eldridge location only.

Dance Marathon Support for the University Of Iowa Stead Family Hospital: **\$500** received by Rotarian Bob Bainter for his granddaughter, Laura Bainter, Chair of Campus Fundraising for Loras College. The students dance for 12 hours straight to raise money for the sick kids. Each student solicits pledges from family, friends and organizations.

NOT ATTENDING:

Harrison Elementary School Kindergarten Class, Davenport: **\$80** to purchase a special cube chair for an active student. This chair would help the student know his own personal space and he will have more success in learning. Currently teacher Ann Peterson is borrowing a chair and desires to have a permanent one in her classroom.

God's Mercy Orphanage (Uganda, Africa): **\$850** to build pens and purchase rabbits and chickens for the very poor people to learn how to provide food for themselves. Rotarian Merle Anderson coordinates this International project.

Opportunity to increase your Paul Harris Fellow balance

Throughout the month of April, the Foundation Committee is offering club points as a match to all members to become a first time Paul Harris Fellow (or an additional Paul Harris fellow).

Example: Dennis Peterson has a balance of 4640. If he would like to add another Paul Harris, he would need to write a check for \$180 and the club would match with 180 points. Then his balance would be 5000 and another Paul Harris would be awarded to Dennis, by Rotary International.

If you have questions, contact Chris Connolly or Dennis Peterson.

LAST WEEK

LAST WEEK – April 6, 2018 – Presentation of Community needs grants checks

Seventy one attended on Friday, for a very impressive presentation of funds to deserving organizations in the local area. The extended listing of these needs are on page one, along with the person(s) receiving them. They were awarded by Community needs co-chairs, Jeff Helms and Chris Connolly. Also attending were 4 student guests from North Scott High School and Jim Schneider, coordinator. Other guests were: Joe Slavens from Northwest Bank, Ryan Johnson from Blackhawk Bank and Mindy Helms, guest of Jeff Helms.

Joe Slavens gave details about the Quad Cities Big Table event that will be April 20-21. General information and how to participate can be found at QuadCitiesBigTable.com, or by calling 563-484-0525. Participants can pick a location from the website and register for a table of people they know or don't know. It is free to participate and each discussion will be only one hour. Multiple sessions can be attended.

Josie Seymour mentioned an opportunity she has for an underprivileged fourth grade girl to attend camp in June. Pat Olsen was in charge of this month's 50/50 drawing. Marty O'Boyle was the lucky winner, taking home \$105. April birthdays were celebrated.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
