# NEW EVENT THIS YEAR!

The inaugural North Scott Rotary [Mississippi Mudder](#) is a fundraiser benefiting the mission of the North Scott Rotary Club. The event will take place on August 18th, 2018.

Our goal is to provide an obstacle course that will challenge all ages and levels of ability - from first time participants to avid enthusiasts. We want to help participants achieve something they may not have considered possible. Some obstacles may seem difficult while others are "a piece of cake." Accomplish whatever you can!

Our event is great for team building – no experience is necessary

The course is a 5K Mud Run filled with 30+ obstacles. It's located on a farm in Coal Valley. You'll run up and down hills, thru pastures, woods, and rugged terrain. You'll snake thru a creek the last 3/10 of a mile. We'll provide you with a challenging course that will test your endurance. Walkers are welcome and all obstacles are optional.

Locally, North Scott Rotary serves the greater Quad Cities through grants and activities which support our local youth, including those with disabilities and those who are at risk. North Scott Rotarians are members of the community, who meet weekly to build connections and enhance our communities, both locally and globally.

North Scott Rotary (Davenport, Iowa) is a member of a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Register for the Mississippi Mudder!
