Venture School Entrepreneurship Education Program

Indiana University | Bloomington, Indiana; May 2013 B.S. Informatics (*High Distinction*)

B.S. Health Administration (*High Distinction*)

The inaugural North Scott Rotary Mississippi Mudder is a fundraiser benefiting the mission of the North Scott Rotary Club. The event will take place on August 18th, 2018.

Our goal is to provide an obstacle course that will challenge all ages and levels of ability - from first time participants to avid enthusiasts. We want to help participants achieve something they may not have considered possible. Some obstacles may seem difficult while others are “a piece of cake.” Accomplish whatever you can!

Our event is great for team building – no experience is necessary

The course is a 5K Mud Run filled with 30+ obstacles. It's located on a farm in Coal Valley. You'll run up and down hills, thru pastures, woods, and rugged terrain. You'll snake thru a creek the last 3/10 of a mile. We'll provide you with a challenging course that will test your endurance. Walkers are welcome and all obstacles are optional.

Locally, North Scott Rotary serves the greater Quad Cities through grants and activities which support our local youth, including those with disabilities and those who are at risk. North Scott Rotarians are members of the community, who meet weekly to build connections and enhance our communities, both locally and globally.

North Scott Rotary (Davenport, Iowa) is a member of a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

NEW MEMBER PROPOSAL

James M. Runzer has been approved by the board of directors and the classification committee for membership in North Scott Rotary. He is the Director of Operations for Iowa American Water and has been proposed by Charlie Jones.

James was born, raised, graduated from college and worked in New Jersey for many years. Most recently before moving to Bettendorf, he was the operations manager for American Water in New Jersey. His wife is an elementary school teacher and he has 3 grown children in NJ and PA.

James is anxious to become involved in his "new" community. If you have any questions or concerns about James, please contact Dennis Peterson or Jeff Ashcraft.

LAST WEEK

LAST WEEK – August 10, 2018 – Kate Mapes: Quad City Botanical Center

Sixty members and guests attended on Friday including Bonnie Powell, guest of Steve Powell, Tim Riley, guest of Joe Stutting and Laura Carlino, representing the Steeplegate. Ryan Varner gave a run down for the Mississippi Mudder Event that takes place this Saturday, August 18. The time to report to work in Coal Valley is 5:30 A.M. Many reliable volunteers are needed. Committee members will be meeting at Warren's home on Friday afternoon at 4 pm to take care of last minute items.

Kate Mapes is in charge of children's programming at the Quad City Botanical Center in Rock Island. They are celebrating 20 years and were started by the Rock Island Horticulture Club. The center is very relaxing with a lot of plants, waterfalls, fish, tropical gardens, places to sit, etc. They have a mini Mississippi River and use it as an objective learning source. April and May are their busiest months. There are a lot of special activities at the center, such as a Gourd Festival, build a scarecrow, pumpkin painting and much more. LED lights decorate the center from late November thru December.

Many volunteers are needed to help keep the areas in shape. Anyone is welcome to volunteer for an hour or a day. You can even adopt a garden. The facility is available to rent for weddings and other celebrations.

Josie Seymour was the sergeant of arms for the first time and raised \$65 in fines. Good Job!

The 4 Way Test Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
