Go to water tower.

Parking is on both sides of street at water tower

Water Tower is visible from Hwy 61 to the east

Follow NS Rotary on

Good afternoon NS Rotarians,

As a club we need to be more active and focused in our social media efforts, and with Chris Conouyer and Sean Finch co-chairing our social media committee, I am convinced that we will have an active and relevant approach to our social media communications.

So I am happy to announce that you can now follow our club on Twitter! Sean and Chris have created our account and for those of you who tweet, you can find us by searching for North Scott Rotary. Please consider searching us out and following us ASAP.

Chris and Sean are also working to make our Facebook efforts more active and interesting, but we need each Rotarian who has a FB account to invite your friends to "like" NS Rotary's Facebook page. Sean and I have both done this today, and we have seen the number of people liking and following our club increase significantly already!

Please consider taking action on both of these items today! Your assistance in helping spread the good news about our club is essential!

Thank you for being the inspiration.

Jeff

NEW THIS YEAR!

The Rallies for Youth Committee is excited to announce a new feature that will enhance your auction experience. We have partnered with QTEGO, an online bidding company, to help ease the registration process, allow you to enjoy the night without needing to check your item every few minutes, help you be with your guests and friends, and making check-out a breeze.

We will soon have a dedicated Rallies for Youth website which will feature our club's information and showcase our sponsors. All auction items will be listed on the website and will be easily accessed from your mobile device or computer. This should make the silent auction process easy, entertaining and fun!

What if you didn't win an item but want to donate? With the simple click of a button, your donation will be received! Can't make the event but want to participate? No problem, we can register you as a guest and you can bid on silent auction items or make donations right from your mobile device. Tired of waiting in line to look at all the items? We have you covered. All of the items will be listed on the site and you can peruse them from your table or next to the bar! Tired of losing a silent auction item at the last minute? No worries, QTEGO allows you to set a bid maximum on items that will automatically outbid someone until you reach your maximum bid! Somebody out bid you? You will receive an alert telling you to check your item. Live auction bid paddles, remembering your bid number, missing something to make sure you are still in the lead, not anymore! Your bid number is your phone number! Checking out with QTEGO is easy too because you check out on your phone! We are very excited about this new feature!

We have received some questions regarding mobile devices. What if you are not a fan of using your mobile device? No problem! QTEGO will send a dedicated team to our event to help make sure you can bid on the items you want.

For more information on QTEGO, we encourage you to visit: www.qtego.com.

We will communicate the website for our event as soon as it is up and running! A few weeks before our event we will demonstrate how to use your mobile device to bid, check out, and donate!

Thinking of being a sponsor now? Let us know and we can share the sponsorship levels and show you how QTEGO will help promote your business at the event!

LAST WEEK

LAST WEEK – August 17, 2018 – Brendan Iglehart; altStates Travel

Sixty one members and guests attended on Friday. Rotarian Duncan Cameron from Naples, FL. attended, along with Jean Schinckel, Wayne Martens and Peggy Martens all guests of Jack Schinckel. Also Rick Lohman, guest of Dick Cole and Greg Lundgren, guest of Rich Horst.

Ryan Varner gave some last minute instructions for the Mud Run volunteers and Tom Messer told about the Golf Outing on September 14. Nancy Glawe thanked the members for donations of school supplies. She has donated them to the Scott County Library System for the area teachers to supply their rooms.

Charlie Jones gave \$50 to the education fund, as he and Rita will celebrate their 50th wedding anniversary on September 7. Jim and Marcia Koehler recently celebrated 60 years together with a trip to Minnesota. Cinnamon Ridge Farms took 6 cattle to the Iowa State Fair and received 6 blue ribbons. They also placed first in the cheese curd judging. Brad Burt was proud to tell about Dr. Mickey (his Dad) receiving a lifetime achievement award from Palmer College and Dr. Chad (his brother) receiving a Palmer Fellow award, at Palmer's homecoming event last weekend. John Maxwell was the sergeant and collected \$30 in fines.

Brendan Iglehart is a local business owner in the Quad Cities. He has a small tour company specializing in regional adventures for local people and visitors. He works with tourism bureaus and local businesses to create and market local tours.

In 2014, Brendan went with a small group of people to North Korea. He wonders now, why he did that. Not a lot of people go to Korea. The group was warned to bring a minimum of items with them, especially no religious materials. The lights were turned off in the halls at night in the motels. It was creepy. The country didn't know how to capture resources; therefore the power often went out.

Pictures of the leaders of the country were everywhere. Even in the airplane. The places to eat were opened just for them. There was a lot of food, but it wasn't very good. Children were forced to perform for them. The passports and airline tickets were held by the Koreans until they were ready to leave the country.

The 4 Way Test

Of the things we THINK SAY or DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
