### LAST WEEK

LAST WEEK – November 9, 2018 – Greg Smith and Robotic team members; Davenport West HS

Two members of the Combustible Lemons Robotics team and two members from the Mortal Combats Robotics team, along with their coach Greg Smith, gave interesting facts and background information to the club about the highly successful Robotics program at Davenport West High School. Students of all ages from Kindergarten to 12<sup>th</sup> grade are involved to some degree in the programs. Two successful teams have been formed in the past eight years.

The students on these teams are extremely diverse. They participate in sports, are in the honor society, are on the homecoming court, participate in music and drama, etc. They also give back to the community by volunteering at the River Bend Food Bank, help with the community Thanksgiving dinner, organize a care package drive for homeless people and promote outreach at the John Deere Headquarters. The teams have prepared a \$500 plus tree for the Festival of Trees, work with a German Exchange Robotics team and raise money for a Kenya Water project with Fishers of Men Ministries.

Sixty attended on Friday including guests Jean Schinckel and Jeff Rose, guest of Kathy Pezley. The new member induction of Heather Wagner was held. Josh Cobie asked for volunteers for Nov. 25 at the tear down of the Festival of Trees (see the calendar for details). John Maxwell, chair of the Goodie/Pie Auction recruited eleven apple pies and eleven buyers for \$100 each. Linda Paustian had the winning pie. Pie and ice cream, furnished by John, was enjoyed by all.
