This Friday at the Steeplegate

Empower House

Elisa Green MA, CCC-SLP, CBIS has been working as a clinical assistant professor at St. Ambrose University since 2010. She is a 2003 graduate of the University of Northern Iowa in speech-language pathology. Elisa worked for a rehabilitation hospital in Chicago prior to moving to the North Scott Community. During

her time at the rehab hospital and at SAU, her specialty has been working with adults with brain injuries. While working in Chicago she saw first hand the positive impact of having a resource like a Brain Injury Clubhouse on those who have sustained a brain injury. She is looking forward to having this resource available in our Quad Cities Community.

Claire Motto MS, CCC-SLP, CBIS has been working at Genesis as a speech-language pathologist since graduating from St. Ambrose University in 2016. The majority of Claire's caseload is patients with neurologically-based injuries, specifically stroke and brain injury. Claire works both in an individual outpatient setting as well as in a group setting through the LIFT program. During her time at Genesis, she has met countless brain injury survivors who lack resources in the community after their discharge from traditional therapy. This is why Claire has

worked with her fellow co-founders to bring Empower House to the Quad Cities.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
